

Orion Housing, LLC.

10573 W Pico Blvd, Suite 213 • Los Angeles, CA 90064
(310) 616-6684

1. Residency and Financials

1.1 BASIC TERMS

Lease Reference Date: 04/17/2026

Premises: The Premises is defined as:

Unit 206
1421 W Adams Blvd Unit 206
Los Angeles, CA 90007

Co-Living Unit, if applicable: "Co-Living" means leasing a portion of the Premises while sharing another portion of the Premises with other tenants. Co-Living may include leasing private bedroom(s), shared bedroom(s), or bed space(s) (also referred to as "By the Bed" ("BTB")). If Co-Living applies, the following shall not be left blank.

Room 3

Additional Co-Living rules apply as specified in Section 2.2 (Co-Living Rules).

Landlord or Lessor: Orion Housing, LLC. as agent for the Owner

Tenant or Lessee:

Premankur Banerjee

Installments: "Total Payment Amount" due is as specified in Section 1.4 (Installments and Charges) and is payable in 12 installments of \$1,860.00.

Installments and Other Charges: Tenant(s) are responsible for the following installments and charges.

Monthly Installment (Original)	\$2,000.00
Monthly Community Fee	\$100.00
Monthly Installment (Discount)	-\$140.00
Total:	\$1,960.00

Installments are due as specified in the "Installment Payment Schedule" set forth in Section 1.4. All other monthly charges are due on the 1st day of each month through the end of the Lease Term. The due dates for Installments and other monthly charges may differ.

Move-In Installments or Charges:

The Security Deposit of \$1,500.00 and prepayment of \$N/A are due within three (3) days of execution of this Lease, and any remaining balance is due no later than fourteen (14) days prior to the Lease Start Date.

Lease Extension: If Lease Extension, reference the applicable Lease Amendment for deposit/prepayment transfer or additional deposit information.

Late Fee: \$100.00 Flat Fee

NSF (Non-Sufficient Funds) Fee: \$50.00 per returned transaction.

Lease Start: 07/21/2026 at 12:00pm.

Lease End: 07/20/2027 at 12:00pm.

Authorized Parking Spaces and Charges: N/A tandem space(s) at \$N/A per month and N/A single space(s) at \$N/A per month.

Parking End Date: N/A

Utilities & Community Fee: Tenant(s) are responsible for all utilities. Utilities and amenities, if applicable, shall be charged back to Tenant(s)

as a monthly Community Fee as further defined in Section 1.7 (Utilities and Community Fee). Utilities and/or amenities that are under Tenant(s)' sole control and must be set up, paid, and managed by Tenant(s) outside of the Community Fee are as follows, if any.

NONE

The monthly Community Fee is initially assessed or estimated at **\$100.00**

per person and is subject to re-assessment based on actual usage, as specified in Section 1.7.

Definitions: As used herein, "Landlord," "Lessor," "we," "us," and "our" refer to the Landlord/Lessor listed above and include the owner of the property as well as the management company, if applicable. "Tenant(s)," "Lessee(s)," "you," and "your" refer to all Tenant(s) listed above. Landlord and Tenant are referred to collectively as the "Parties." "Premises" or "Property" means the Premises listed above. "Lease" or "Agreement" refers to this Lease Agreement. "Installment(s)" refers to all rent payable in installments under this Lease and any other amounts deemed additional rent, to the extent permitted by law.

Fee Adjustments: Except as otherwise prohibited by applicable law, fees and charges referenced in this Lease may be adjusted with at least thirty (30) days' written notice and only to the extent permitted by applicable law. No adjustment shall change any Installment amounts that are expressly fixed for the Lease Term under Section 1.4, unless expressly authorized by this Lease or required by law.

Fee Change Notice (Global Statement): All fees are subject to change only as permitted by applicable law and upon the notice required by law.

1.2 PARTIES AND OCCUPANTS

Parties to the Lease. This Lease Contract is entered into between the undersigned resident(s), hereinafter referred to as "Tenant(s)" or "Lessee(s)": **Premankur Banerjee**, and the owner or authorized agent, hereinafter referred to as "Landlord" or "Lessor": **Orion Housing, LLC**.

Premises Description. Tenant agrees to rent the partial or full unit, property, or dwelling (the "Premises") located at:
Unit 206

**1421 W Adams Blvd Unit 206
Los Angeles, CA 90007**

Permitted Use. The Premises shall be used as a private residence only.

Occupancy Restrictions. The Premises must be occupied exclusively by Tenant(s). Any additional guest(s) staying in the Premises for longer than three (3) cumulative days must be approved by Landlord in writing. Any guest staying three (3) cumulative days or longer without Landlord's written consent shall be deemed to be occupying the Premises in violation of this Lease and shall be charged **\$1,000.00** per guest per month as additional rent, to the extent permitted by law.

Landlord Approval and No Opt-Out. For the avoidance of doubt, Landlord shall have sole discretion to approve or disapprove any additions, deletions, or modifications to the tenancy, including any sublease. There is no cancellation or grace period to opt out of this Lease, except as required by applicable law.

1.3 LEASE DURATION

Commencement and Termination of Lease. The term of this tenancy shall commence at 12:00 p.m. on the Lease Start Date specified in Section 1.1 (Basic Terms) and shall end at 12:00 p.m. on the Lease End Date specified in Section 1.1, at which time this Lease shall terminate without further notice.

Holding Over After Lease End Date. Any holding over thereafter shall result in Tenant(s) being liable to Landlord for the delayed move-out fee specified in Section 3.9 (Move-Out), in addition to any other remedies available under this Lease or applicable law. Any such holding over shall not be a renewal of the lease term or deemed to establish a month-to-month tenancy.

Non-Waivable Legal Rights. Nothing herein is intended to limit rights or obligations that cannot be limited under applicable law, including notice requirements under California Civil Code §1946.1 where applicable.

No Early Accommodations. Landlord shall not be responsible for providing accommodations prior to the Lease Start Date.

1.4 INSTALLMENTS AND CHARGES

Installments and Discounts. This is an Installment Lease. "Total Payment Amount" for this Lease is **\$24,000.00**, payable in **12** installments of **\$2,000.00** each (the "Installments"). By signing this Lease, Tenant(s) acknowledge and agree to receive a Promotional Discount totaling **\$1,680.00**, applied across **12** installments, resulting in a discounted monthly installment amount of **\$1,860.00**. This Promotional Discount applies only if Tenant(s) remain in compliance with all terms of this Lease for the duration of the Lease. For clarity, upon expiration of the Lease Term and absent a renewed or revised Lease, all terms of this Lease shall expire, including the Promotional Discount, and the discounted installment amount of **\$1,860.00** shall revert to **\$2,000.00**.

Installment Payments. Each Installment is due on or before the due date listed in the Installment Payment Schedule below and shall be

paid through the online Tenant Portal. Tenant(s) are required to set up auto-pay to ensure Installments are received timely. Because this is an installment lease, there will be no proration regardless of when the Lease commences or terminates, except as required by law.

Late Payments. An Installment is late if not received by the fourth (4th) day after the due date and is subject to the late fee specified in Section 1.1 beginning on or after the fifth (5th) day. In addition, an administrative cost related to collecting and accounting for late payment may be assessed at Landlord's discretion at the rate of **\$100.00** per week from the date the late fee began to the date the balance is paid in full, to the extent permitted by law. Under Civil Code §1479, all sums received by Landlord from Tenant(s) shall be first applied to past due Installments and fees, then to current Installments and fees.

Returned Payments and Remedies. For rejected payments due to non-sufficient funds, Tenant(s) shall be liable for the NSF fee specified in Section 1.1 for each transaction. For each time a "3 Day Notice to Pay the Rent" is served, Tenant(s) shall be liable for an administrative fee of **\$50.00**, to the extent permitted by law. If an Installment is not paid on time, Tenant(s) are delinquent and Landlord may exercise all remedies under this Lease and applicable law, including discontinuing the Promotional Discount for the remainder of the Lease Term, to the extent permitted by law.

Installment Schedule:

No	Due Date	Installment Amount
1st	See Due Date in Section 1.1	\$1,860.00
2nd	September 1st	\$1,860.00
3rd	October 1st	\$1,860.00
4th	November 1st	\$1,860.00
5th	December 1st	\$1,860.00
6th	January 1st	\$1,860.00
7th	February 1st	\$1,860.00
8th	March 1st	\$1,860.00
9th	April 1st	\$1,860.00
10th	May 1st	\$1,860.00
11th	June 1st	\$1,860.00
12th	July 1st	\$1,860.00

Installments are deemed earned when paid, subject to Landlord's duty to mitigate damages as required by California law.

1.5 PRIMARY TENANT

Designation of Primary Tenant. If two (2) or more Tenant(s) reside at the Premises, Tenant(s) shall designate one Tenant as the "Primary Tenant" to facilitate communications for the unit. The Primary Tenant shall also be responsible for receiving and dispersing the Security Deposit refund.

Replacement of Primary Tenant. If the Primary Tenant becomes unavailable, Tenant(s) shall immediately designate and notify Landlord in writing of a replacement Primary Tenant. If Tenant(s) do not designate a Primary Tenant, Landlord may designate a Primary Tenant at Landlord's discretion.

Designated Primary Tenant: Premankur Banerjee

1.6 SECURITY DEPOSIT

Deposit Amount and Purpose. Upon signing this Lease, Tenant(s) shall deposit with Landlord the Security Deposit amount set forth in Section 1.1 by the Security Deposit due date specified therein, to secure Tenant(s)' faithful performance of the terms of this Lease. Tenant(s) shall not use the Security Deposit to pay Installments or other charges.

Any increase to the Security Deposit (if any) shall be only as permitted by applicable law and by written agreement if required.

Permitted Uses of the Security Deposit. Landlord may withhold from the Security Deposit only such amounts reasonably necessary to remedy Tenant(s)' defaults, including but not limited to: defaults in Installments; repairing damages caused by Tenant(s) or guests (excluding ordinary wear and tear); cleaning and repainting if necessary to return the unit to the same level of cleanliness and condition as at the inception of the tenancy; restoring or replacing furniture or appurtenances (excluding ordinary wear and tear); and any other amounts owed pursuant to this Lease or California Civil Code §1950.5. Landlord's damages are not limited to the amount of the Security Deposit, and Tenant(s) may be liable for damages in excess of the Security Deposit.

Pre-Inspection and Final Inspection. Tenant(s) may request a pre-move-out inspection (the "Pre-Inspection") to be performed within two (2) weeks of the Lease End Date. The Pre-Inspection is visual only. Landlord is not required to move personal items. The purpose of the Pre-Inspection is to provide Tenant(s) an opportunity to clean or repair identified items to reduce or avoid Security Deposit deductions. Only one Pre-Inspection will be conducted and shall occur during Landlord's business hours. Tenant(s) may be present but are not required to attend. The final inspection performed after Tenant(s) have vacated and surrendered possession of the Premises shall control for purposes of assessing condition and determining any Security Deposit deductions.

Return of Security Deposit and Fees. The Security Deposit shall be returned no later than twenty-one (21) calendar days after the Lease

End Date, along with an electronic copy of an itemized written statement of deductions as required by law. One refund shall be sent to the Primary Tenant listed in Section 1.5 (Primary Tenant). If Primary Tenant becomes unavailable, Tenant(s) shall designate a replacement at least four (4) weeks prior to the Lease End Date; if not designated, Landlord may designate a recipient at Landlord's discretion. The Security Deposit refund shall be made through electronic transfer only, with a mandatory administrative processing fee of **\$35.00** per transfer, to the extent permitted by law. Tenant(s) must provide bank information (bank name, routing number, account number) at least four (4) weeks prior to the Lease End Date. If bank information is not timely provided, Landlord may refund by check mailed to the last known address (which may be the Premises), with a **\$70.00** processing fee, to the extent permitted by law. Landlord is not responsible for delayed or lost mail.

Condition Standards and Associated Charges. Tenant(s) acknowledge and agree that Landlord may repaint the interior after move-out at Tenant(s)' cost if required based on condition (excluding normal wear and tear), as permitted by law. "Normal wear and tear" includes peeling or cracked paint; small plaster chips; kitchen wall fading due to cooking; natural color degradation; and discoloration from sun exposure.

If Landlord performs post move-out work, Tenant(s) agree to vendor or labor costs. Current estimated average rates are **\$85.00–\$115.00** per hour, subject to vendor billing and conditions. Landlord does not guarantee rates.

Notes:

- If Co-Living, as specified in Section 1.1, Tenant(s) acknowledge and agree that additional rules apply as set forth in Sections 3.9.
- Tenant(s) may self-clean the Premises prior to move-out to reduce cleaning costs; however, professional cleaning of the Premises is required, and Tenant(s) shall be responsible for the cost of such professional cleaning as provided in Section 3.9.
- Tenant(s) may repair/fix items with Landlord approval and to Landlord standards.
- Touch-up painting does not apply where a full repaint is required.
- Plumbing/electrical/flooring issues may require repair beyond the immediate area.

1.7 UTILITIES & COMMUNITY FEE

Tenant(s) shall be responsible for all utilities and applicable amenity fees serving the Premises, except as otherwise expressly stated in this Lease. If any utilities are designated in Section 1.1 as being under Tenant(s)' sole control, Tenant(s) shall be responsible for establishing service in Tenant(s)' name, paying all charges, deposits, and fees, and timely discontinuing service upon move-out.

Utility Interruptions. Landlord does not guarantee uninterrupted utility service. Tenant(s) shall contact the applicable utility provider directly in the event of an interruption. Except as required by law, Landlord shall not be responsible for any loss or damage resulting from utility interruptions, outages, or fluctuations. Tenant(s) are encouraged to arrange activation and deactivation of utilities at least thirty (30) days in advance.

Community Fee. As a convenience to Tenant(s), Landlord may charge a Community Fee, which is a flat per-Tenant charge intended to cover certain utilities and, if applicable, amenities, based on historical usage as disclosed in this Lease. The Community Fee is not based on individual metering and may include utilities serving the Premises, shared living areas, or common areas of the building or community. Non-living areas (including basements, attics, or roofs) are included only if expressly identified as an amenity. Landlord may adjust the Community Fee with at least thirty (30) days' written notice, only as permitted by applicable law. If actual utility usage exceeds the amount covered by the Community Fee, the excess amount shall be allocated to Tenant(s) on a pro rata basis consistent with Tenant(s)' share under the applicable RUBS methodology. Excess usage charges shall be due within fourteen (14) days of posting.

Ratio Utility Billing System (RUBS), if applicable. Certain utilities serving the Premises may be master-metered or shared and billed to Tenant(s) using a Ratio Utility Billing System ("RUBS"), rather than individual meters. If applicable and specified in Section 1.1, Tenant(s) acknowledge and agree that RUBS utilities are allocated based on overall usage and occupancy factors, not individual consumption. Tenant(s)' share of RUBS utilities shall be calculated based on an occupancy-based formula, determined by the ratio of occupants in the Premises to the total occupants served by the applicable meter, multiplied by the total utility charges for the applicable billing period. All Tenant(s) of the Premises are jointly and severally liable for RUBS charges allocated to the Premises. Landlord is not responsible for allocating RUBS charges among individual roommates or co-living residents. RUBS charges shall be posted to Tenant(s)' ledger and are deemed additional rent under this Lease. If a utility bill is unavailable at the time of move-out or billing, Landlord may reasonably estimate usage based on historical data and occupancy. A final adjustment may be issued when the actual bill is received. Any additional amount due shall be payable within fourteen (14) days of notice; overpayments may be credited or refunded as required by law. Tenant(s) may request a summary explanation of the RUBS calculation upon written request and must raise any good-faith dispute within thirty (30) days of posting, or the charges shall be deemed accepted.

Third-Party Billing and Wi-Fi Access for Maintenance. Landlord may use a third-party billing or utility service provider to administer Community Fees or RUBS charges. Tenant(s) acknowledge that such provider is not the utility company. A reasonable billing or administrative fee may apply, to the extent permitted by law. Certain amenities or fixtures may require servicing via internet connection. Tenant(s) agree to provide reasonable Wi-Fi access solely for the purpose of maintaining or servicing Landlord-owned equipment, and not for access to Tenant(s)' personal data.

Energy Conservation and No Rent Abatement. Tenant(s) agree to use utilities in a conservative and economical manner and to promptly report malfunctions of appliances or equipment. Except as required by law, interruptions or fluctuations in utilities or RUBS services shall

not constitute an eviction or constructive eviction and shall not entitle Tenant(s) to any abatement, reduction, or offset of Installments, Community Fees, or RUBS charges.

1.8 RENTERS INSURANCE

Insurance Requirement and Coverage Limits. Tenant(s) shall obtain and continuously maintain renter's insurance throughout the Lease Term with a minimum general liability coverage limit of **\$100,000**. Additional coverage, including but not limited to personal property, loss of use, or medical payments, shall be at Tenant(s)' sole discretion.

Purpose of Renter's Insurance. Tenant(s) acknowledge that renter's insurance is intended to protect Tenant(s) and their personal property and does not provide coverage for Landlord's property or liability. Tenant(s) further acknowledge that Landlord's insurance does not cover Tenant(s)' personal property or personal liability.

Limitation of Landlord Liability. Tenant(s) agree that Landlord shall not be liable for loss or damage to Tenant(s)' personal property or for personal injury resulting from fire, theft, water intrusion or leakage, infestation, acts of God, utility interruptions, or other similar events.

Failure to Maintain Insurance. Failure to obtain or maintain renter's insurance as required by this Lease shall constitute a material breach of this Lease and may result in enforcement action, including termination of tenancy, subject to applicable notice and cure requirements under California law.

1.9 CO-SIGNER / GUARANTOR AGREEMENT

Guaranty of Tenant Obligations. Each Co-Signer (also referred to as "Guarantor") jointly and severally guarantees the full and timely performance of all financial obligations of Tenant(s) under this Lease, including, without limitation, Installments, additional rent, utilities, Community Fees, RUBS charges, property damage, cleaning and repair costs, court costs, and reasonable attorneys' fees incurred by Landlord in enforcing this Lease.

Direct Collection and Waiver of Exhaustion. Landlord may demand and collect payment from Co-Signer without first attempting to collect from Tenant(s) or applying Tenant(s)' Security Deposit. Co-Signer expressly waives any requirement that Landlord exhaust remedies against Tenant(s) before proceeding against Co-Signer and agrees that Landlord may pursue any lawful collection remedies against Co-Signer to the same extent as against Tenant(s), to the extent permitted by law.

No Notice Requirement and Continuing Obligation. Co-Signer acknowledges that Landlord has no obligation to provide notice to Co-Signer of Tenant(s)' default, delinquency, or violation of this Lease, including notices to pay rent, cure, or terminate. This guaranty is a continuing and unconditional obligation and shall remain in full force and effect for the entire Lease Term, including any extensions, renewals, amendments, or modifications, unless Co-Signer is expressly released in a written agreement signed by Landlord.

Sublease and Assignment Liability. If Tenant(s) are permitted to sublease or assign the Premises with Landlord's written consent, Co-Signer shall remain fully liable for the obligations of Tenant(s) and any approved sublessee, unless expressly released by Landlord in writing.

No Occupancy Rights and Enforcement Costs. Co-Signer shall not occupy the Premises at any time, and this Lease creates no tenancy, possessory interest, or occupancy rights for Co-Signer. In any legal proceeding arising out of or related to this Lease or this guaranty, the prevailing party shall be entitled to recover reasonable attorneys' fees, court costs, and collection costs, to the extent permitted by law. Co-Signer acknowledges that this guaranty is a material inducement for Landlord to enter into this Lease.

By initialing below, you acknowledge and agree to the terms in Section 1.

X PB
Premankur Banerjee

2. Policies and Procedures

2.1 GENERAL COMMUNITY POLICIES AND RULES

Compliance With Laws and Community Rules. Tenant(s) and guests must comply with any written community policies and rules, including all ordinances, laws, and regulations of all governmental authorities applicable to the use and occupancy of the Premises. Any written rules, community policies, and care instructions provided by Landlord are incorporated into and considered part of this Lease. Tenant(s) and guests shall not commit waste or nuisance, or annoy, molest, disturb, endanger, inconvenience, or interfere with any other residents, neighbors, guests of other residents or neighbors, or Landlord. Tenant(s) and guests shall not perform or keep anything at the Premises that may obstruct public spaces available to other residents or neighbors. Established courtesy hours are from 10:00 p.m. to 8:00 a.m., enforced daily.

Material Breach and Enforcement Standard. In addition, Tenant(s) acknowledge and agree that the following rules apply. A violation of this Section may constitute a material breach of this Lease and may be grounds for enforcement action, including termination of tenancy, as permitted by law. Any enforcement action shall be subject to applicable notice and cure requirements under California law, where required.

Prohibited Conduct. The following conduct is strictly prohibited:

- There shall be no underage drinking on the Premises. Tenant(s) shall not be involved in or contribute to underage drinking on the Premises.
- Guests are not allowed in common spaces or amenity areas unless authorized by Landlord in writing.
- Tampering with community amenities, including but not limited to smoke or carbon monoxide detectors, appliances, or security devices.
- Nudity, voyeurism, or lewd behavior.
- Stealing or destroying property or belongings of other residents, community members, guests, or Landlord.
- Discriminatory harassment or sexual misconduct.
- Activating an alarm when an emergency does not exist.
- Possession of, or threat to use, a weapon.
- Actions that threaten the safety of other residents, staff, or community members.
- Entering, accessing, or walking on areas that are not permitted, including roofs, attics, or non-decked rooftop areas.
- Smoking of any substance on or about the Premises.
- Illegal activities of any kind on or about the Premises.
- Unnecessary lounging or loitering that interferes with the convenience of other residents or neighbors.
- Large gatherings or parties on the Premises.
- Formation or housing of a fraternity or sorority on the Premises, or fraternity/sorority-related activities on the Premises, including but not limited to hazing, rushing, or formal or informal meetings or gatherings.

Fees and Law Enforcement Costs. Unless otherwise prohibited by law, violations of the above rules may result in a **\$250.00** fee per incident, in addition to other remedies and any fines or costs involving law enforcement, as follows:

- Tenant(s) shall be responsible for any fines or other costs occasioned by violations of law by Tenant(s) or guests during the tenancy/
- If any such fines or costs are levied against Landlord and are attributable to Tenant(s)' tenancy or the conduct of Tenant(s) or guests, Tenant(s) shall reimburse Landlord upon receipt of invoice;
- Tenant(s) shall pay administrative costs for law-enforcement complaints of **\$75.00** per resident named on this Lease (and any approved sublease, if applicable) for the first complaint, **\$150.00** per resident for the second complaint, and **\$300.00** per resident for each additional complaint; and
- Tenant(s) shall pay a fee of **\$500.00** when Landlord receives more than three (3) complaints relating to violations of community policies and rules.

All fees referenced herein are intended to reflect a reasonable estimate of Landlord's administrative and enforcement costs and are not intended as penalties. Landlord shall investigate and determine whether community policies and rules have been violated in Landlord's reasonable discretion. Except where expressly limited by applicable law, any determination, approval, or enforcement action by Landlord under this Section shall be made in Landlord's reasonable discretion and applied in a commercially reasonable and non-discriminatory manner.

Joint and Several Responsibility. Each Tenant is jointly and severally liable for these Lease obligations. Any disputes amongst Tenant(s) on group leases must be resolved within the group, without Landlord involvement.

Reservation of Rights. Landlord reserves the right to make reasonable changes to written community rules, effective upon written distribution and uniform application to the community. Landlord's rights and remedies under this Lease are cumulative and in addition to, and not in lieu of, any rights or remedies provided by law. The exercise or failure to exercise any right or remedy by Landlord shall not preclude the exercise of any other right or remedy at any time thereafter, to the fullest extent permitted by law.

2.2 CO-LIVING RULES

Scope and Nature of Co-Living. Co-Living applies to Tenant(s) leasing a portion of the Premises, as specified in Section 1.1, and may include a private bedroom, shared bedroom, or bed space with shared or common living areas. Tenant(s) acknowledge and agree to share the Premises with other resident(s) whom Tenant(s) may not know. Landlord does not guarantee roommate compatibility or matching to Tenant(s)' preferences.

No Responsibility for Other Residents. Tenant(s) acknowledge and agree that Landlord shall not be responsible for other resident(s)' personal needs and/or social behavior, including but not limited to lifestyle choices, religious practices, permitted animals (if allowed), and cultural preferences. To the extent permitted by law, Tenant(s) agree to hold Landlord harmless from claims arising solely from sharing the Premises with other residents.

Move-Out Allocation. Co-Living move-out allocation rules apply as specified in Section 3.9.

Cleanliness in Shared or Common Areas. Co-Living Tenant(s) shall not leave food or soiled kitchenware unattended in shared or common areas for more than forty-eight (48) hours. Landlord reserves the right to dispose of any food or dishes left unattended for more than seventy-two (72) hours, and the responsible Tenant(s) may be charged a cleaning fee, to the extent permitted by law. Tenant(s) shall not cause or contribute to uncleanness in shared or common areas and may be subject to a cleaning fee, to the extent permitted by law. Where responsibility for uncleanness cannot be reasonably determined, costs may be allocated among Co-Living residents as permitted by law.

Pets and Allergies. Co-Living Tenant(s) shall notify Landlord in writing if they have any pet allergies or medical sensitivities that would pose a threat to their health and safety, recognizing that other Co-Living residents may be permitted to have authorized animals in accordance with Section 2.5 (Pets and Animals). If an animal is authorized for a Co-Living resident, the animal must be kept within that resident's assigned room only, unless otherwise approved by Landlord in writing.

Guests in Co-Living Premises. Guests are not allowed in shared or common areas of a Co-Living Premises unless authorized by Landlord in writing. Guest restrictions are in addition to, and not in lieu of, the guest limitations set forth in Section 1.2 (Parties and Occupants).

Right of Entry for Co-Living Premises. In addition to Landlord's right of entry as specified in Section 3.6 (Right of Entry and Inspections), and to the extent permitted by California law, Landlord may enter the following areas without serving a separate notice of entry:

- Shared or common areas;
- Shared bedrooms or bathrooms when repair requests have been received from any resident of that shared space; and
- Private or shared bathrooms located outside a Tenant's private bedroom.

Landlord shall not enter the following areas unless proper notice is served (except as otherwise permitted by law and Section 3.6):

- Private bedroom; and
- Private bathrooms inside a private bedroom.

2.3 SAFETY AND PROPERTY LOSS

General Safety Obligations. Tenant(s) and guests must exercise due care for their own and others' safety and security, especially in the use of smoke and carbon monoxide detection devices, deadbolt locks, window latches, and other security or safety devices. Tenant(s) acknowledge and agree to abide by the rules and guidelines in this Lease and to take reasonable precautions to safeguard persons and personal property.

Criminal Conduct and Emergencies. Tenant(s) and guests shall not engage in criminal activity on or near the Premises. In case of emergency, fire, accident, smoke, or suspected criminal activity, dial 911 or call local law enforcement and thereafter notify Landlord as soon as reasonably practicable.

Security Features and No Guarantee. Tenant(s) acknowledge that any gates, doors, window bars, security cameras (if any), bike racks/storage, elevators, mailboxes/mailrooms, and similar features are a courtesy and are not guaranteed security measures. Failures, malfunctions, and repair delays may occur, and functionality is not guaranteed. If security cameras are available, Landlord may retain or dispose of footage and may share footage with law enforcement at Landlord's discretion; availability of footage is not guaranteed and Landlord makes no representation regarding monitoring, retention periods, or coverage areas.

Vehicles and Packages. Landlord is not responsible for the care or protection of any vehicle or its contents while on the Premises. Valuables should not be left in parked vehicles. Tenant(s) are encouraged to arrange package delivery to secure lockers (Amazon Locker, USPS Locker, UPS Locker, etc.). Landlord is not responsible for lost, misplaced, or stolen packages left in the vicinity of the Premises whether delivered to common areas, mailrooms, or exterior locations.

Insurance, Indemnity, and Limitation of Liability. The allocation of risk for personal injury, property loss, criminal conduct by third parties, and casualty events is further provided in Section 1.8 (Renter's Insurance) and Section 4.3 (Indemnification and Liability). Nothing in this Section is intended to waive rights or obligations that cannot be waived under applicable law including statutory habitability obligations.

Smoke and Carbon Monoxide Devices. The Premises is equipped with smoke and/or carbon monoxide detection devices in accordance with applicable regulations. Tenant(s) shall test the devices quarterly and immediately report malfunctions or low batteries to Landlord. Tenant(s) and guests shall not tamper with detection devices. Tenant(s) shall be responsible for losses, damages, or fines resulting from tampering or failure to report malfunctions, to the extent permitted by law and as further provided in Sections 1.8 and 4.3 including costs incurred by Landlord to restore required safety compliance.

2.4 FURNISHINGS

Prohibited Items Without Written Permission. Without Landlord's prior written permission, the following items are prohibited on the Premises: pets (see Section 2.5), musical instruments, Tenant-owned water-using appliances (including laundry units, dishwashers, fish tanks, water filters, and similar), waterbeds or other water-filled furniture, open-flame cooking devices, liquefied petroleum gas-fueled cooking devices or grills, fireworks, firearms, explosives, hazardous materials, and charcoal briquettes.

Waterbeds. If the Property was built in 1973 or later, Tenant(s) may possess a waterbed only if Tenant(s) fully comply with California Civil Code §1940.5 and maintain waterbed insurance of **\$100,000** or more. Proof of insurance must be submitted and approved in writing prior to move-in. Tenant(s) must also use bedding that complies with manufacturer load requirements.

Landlord-Provided Furnishings. If Tenant(s) break or damage Landlord's furnishings provided with the Premises, Tenant(s) shall submit a Maintenance Request through the Tenant Portal as specified in Section 3.5 (Maintenance Requests). Ordinary wear and tear is excluded from charges for broken or damaged furnishings. Furnishings purchased by Tenant(s) to replace broken or damaged furnishings without Landlord's prior written approval shall not be reimbursed. Landlord may provide and maintain furnishings at Landlord's discretion; Tenant(s) acknowledge that Landlord does not guarantee furnishing provision, replacement, or concessions except as required by law. Tenant(s) shall not remove or store provided furnishings without Landlord's written consent.

Advertising Disclaimer and Written Approvals Only. All furnishings shown in advertisements, videos, photographs, renderings, or floor plans are for reference only and are not guaranteed unless expressly listed in writing as included. Any special requests to change confirmed furnishings must be submitted and approved in writing. Verbal confirmations by Landlord's representatives are void unless confirmed in writing by Landlord. Tenant(s) acknowledge that reliance on advertisements, renderings, or verbal statements not confirmed in writing is at Tenant(s)' sole risk.

2.5 PETS AND ANIMALS

General Prohibition. Pets owned by Tenant(s) or guests of Tenant(s), including but not limited to mammals, reptiles, amphibians, birds, fish, and insects, are not allowed on the Premises unless authorized in writing by Landlord, except as otherwise required by applicable law.

Unauthorized Animals. Any unauthorized or illegal animal shall be removed within twenty-four (24) hours of written notice from Landlord and may constitute a material breach of this Lease, subject to applicable law. Remediation and cleaning costs are not limited to any animal-related deposit, fee, or charge.

Authorized Animals. If Landlord authorizes an animal for any reason, the animal must be kept within Tenant(s)' assigned room only, unless otherwise approved by Landlord in writing. Violations may result in **\$250.00** per incident plus damages and other remedies under this Lease and applicable law.

Legal Accommodation Requests. Nothing herein is intended to limit Tenant(s)' rights or Landlord's obligations under applicable fair housing, disability, or assistance-animal laws.

2.6 PARKING

Availability and General Conditions. Parking on the Premises, if available, is limited. Leasing or subleasing a parking space is permitted only with Landlord's written approval. No bailment, custodial, or special relationship is created with respect to any vehicle or personal property parked on the Premises. Parking of all motor vehicles and bicycles on the Premises is at Tenant(s)' and guests' risk. Landlord is not responsible for damage, loss, or theft. Landlord reserves the right to regulate the time, manner, and place of parking and may reallocate parking spaces during the Lease Term.

Unauthorized or Improper Parking and Towing. Landlord may tow unauthorized or illegally parked vehicles in compliance with applicable law and posted signage, including California Vehicle Code §22658 where applicable. Tenant(s) shall be charged an administrative fee of **\$100.00** per tow, separate from and in addition to towing company charges, to the extent permitted by law. All towing and enforcement actions shall be conducted in compliance with applicable law and posted signage requirements. Tenant(s) may also be charged **\$100.00** for parking in an unauthorized space or blocking access.

Prohibited Vehicles and Conduct. Vehicles may not be parked on the Premises if inoperable, lacking current license plates, occupying more than one space, blocking exits, driveways, or fire lanes, or leaking substances. Parking areas are for vehicle parking only and not storage. Tenant(s) shall not wash, repair, or paint vehicles on the Premises. Leaks or spills may result in cleaning or remediation charges reflecting actual costs, to the extent permitted by law.

Parking Fees and Parking Term. If authorized to park, Tenant(s) shall pay the monthly parking fee through the Parking End Date specified in Section 1.1. Parking fees remain due unless removed by a written Lease Addendum executed by Landlord. Parking rights do not automatically renew upon any lease renewal or extension unless expressly stated in writing.

Vehicle Information Requirements. Within fifteen (15) days of signing this Lease, Tenant(s) shall provide the following information for each vehicle parked on the Premises: (i) make, model, and color; (ii) license plate number; and (iii) a copy of current vehicle registration.

By initialing below, you acknowledge and agree to the terms in Section 2.

X P B
Premankur Banerjee

3. Responsibilities

3.1 ACCEPTANCE OF PREMISES

Move-In Checklist and Initial Condition. Within three (3) days after Tenant(s) first receive access to the Premises (the “Move-In Period”), Tenant(s) shall: (i) inspect the Premises and any Landlord-provided furnishings, fixtures, and equipment; (ii) submit the “Tenant Move-In Checklist” through the Tenant Portal; and (iii) submit any repair requests as a Maintenance Request as provided in Section 3.4 (Maintenance and Repairs). If Tenant(s) do not submit the Move-In Checklist within the Move-In Period, Tenant(s) are deemed to have accepted that the Premises and any provided fixtures, furnishings, and equipment are in clean, safe, and good working condition at move-in, including that interior paint is fresh or has been touched up. Landlord disclaims all implied warranties to the extent permitted by law. This acknowledgment applies only to conditions observable upon reasonable inspection and does not waive Landlord’s obligation to remedy conditions Landlord is legally required to remedy regardless of notice.

No Reliance on Measurements or Attributes. Tenant(s) acknowledge and agree that the Premises is rented as a whole and is not rented based on precise measurements, layouts, or the quantity or quality of specific characteristics or features, including without limitation living areas, rooms, closets, walls, windows, yards, parking, fixtures, furnishings, or equipment. Landlord does not guarantee any specific attributes of the Premises and may make modifications to the Premises as permitted by law. No concession, discount, offset, or abatement will be provided due to such attributes or modifications, except as required by applicable law.

Move-In Ready Condition and Ongoing Work. The Premises is intended to be delivered move-in ready. Tenant(s) acknowledge that certain non-emergency repairs, maintenance, or finishing work may continue after move-in. Tenant(s) agree to allow Landlord reasonable access to complete such work as provided in Section 3.6. So long as the Premises remains habitable and essential services are available, continued non-emergency work after move-in shall not, by itself, entitle Tenant(s) to any concession, except as required by applicable law.

Historic Properties. Certain Premises may be designated as historic homes or subject to historic-preservation restrictions. Tenant(s) acknowledge that such properties may be limited in interior or exterior changes and accept the Premises as-is, subject to Landlord’s legal obligations.

3.2 USE AND CARE OF PREMISES

Alterations Require Written Consent. Except as otherwise required by law, Tenant(s) shall not make or cause any repairs, decorations, alterations, or improvements to the Premises without Landlord’s prior written consent, including landscaping, painting, wallpapering, lock changes, fixture installation, or system alterations. Requests must be submitted through the Tenant Portal as provided in Section 3.4. Written consent may include consent delivered electronically from Landlord’s designated communication channels, if applicable.

Responsibility for Liens and Restoration. Tenant(s) shall be responsible for, and indemnify Landlord against, any mechanic’s lien or legal proceeding arising from unauthorized work. Unauthorized alterations constitute a material breach and may result in liability for damages, costs, and restoration expenses.

Locks and Security Devices. Tenant(s) shall not change any lock or add any security device without Landlord’s prior written approval.

Historic Properties and Enhanced Risk. Unauthorized alterations to historic Premises are material violations and may cause substantial harm, including fines, loss of designation, or restoration costs, for which Tenant(s) are responsible to the extent permitted by law.

3.3 BED BUGS AND PEST CONTROL

Definitions and Move-In Condition. “Pests” include bed bugs, cockroaches, fleas, mites, ants, spiders, termites, rodents, and insects. The Premises is intended to be pest-free at move-in. Failure to report observable pests during the Move-In Period constitutes acknowledgment of acceptable condition.

Treatment and Pesticides. Tenant(s) acknowledge that pest-control treatments may involve pesticides applied by Landlord or vendors.

Tenant Pest-Control Responsibilities. Tenant(s) shall maintain cleanliness, prevent infestations, cooperate with treatments, prepare the Premises as instructed, and bear costs caused by Tenant(s), guests, or property, to the extent permitted by law. When submitting pest-related reports, Tenant(s) should include photographs where reasonably feasible.

Material Breach and Indemnity. Failure to comply with pest-control obligations constitutes a material breach. Tenant(s) shall indemnify Landlord for losses arising from such failure, to the extent permitted by law.

- Keep the Premises clean and uncluttered.
- Bear all expenses for pest removal to the extent the infestation is caused by Tenant(s), their guests, or Tenant(s)' property, or where otherwise permitted by law.
- Temporarily vacate the Premises, if reasonably requested, for fumigation, testing/inspection, treatment, or repairs (which may require 2–8 hours).
- Prepare the Premises and comply with all treatment instructions, including storage, cleaning, laundry, and removal or replacement of contaminated or potentially contaminated personal property at Tenant(s)' expense.
- Refrain from bringing bed bugs or other pests into the Premises, including inspecting luggage, bedding, clothing, and personal property before move-in, after travel, and before bringing new items into the Premises.
- Promptly report any pest infestation or pest-control need through the Tenant Portal as provided in Section 3.4.
- Pay associated rescheduling fees if Tenant(s) cause or request rescheduling, to the extent permitted by law.
- Cooperate with scheduled pest-control services, including preventative treatment where reasonably required.

3.4 MAINTENANCE AND REPAIRS

Scope of Section. This section governs all maintenance requests, reporting obligations, access for repairs, scheduling, and related charges.

Reporting Maintenance Requests. Tenant(s) shall report any damages, malfunctions, or other issues immediately upon discovery through the Tenant Portal by submitting a Maintenance Request. Issues include, without limitation, water leaks, electrical problems, malfunctioning lights, broken or missing locks or latches, and any condition that poses a hazard to health, safety, or the Premises. Failure to timely report may result in Tenant(s) being held responsible for resulting damages to the extent permitted by law.

Tenant Care and Use Obligations. Except as prohibited by law, Tenant(s) agree:

- To maintain the Premises, equipment, furnishings, and fixtures in good order and as clean and sanitary as their condition permits.
- If the Premises includes a water filter or ice maker, Tenant(s) are responsible for selecting, installing, and maintaining the filter. Landlord disclaims liability for the quality, safety, or adequacy of any Tenant-selected filter or its installation, to the extent permitted by law.
- Not to dispose of bones, grease, pits, or other items likely to cause blockage through garbage disposals.
- Not to flush anything through toilets or plumbing systems other than human waste, including excessive toilet paper, tissues, wipes of any kind, feminine hygiene products, diapers, paper, or plastic.
- To ensure only outdoor furniture is used and stored in exterior areas.
- To promptly submit Maintenance Requests for items requiring repair; Tenant(s) may be responsible for additional damage caused by delay.
- To return the Premises at move-out to the same level of cleanliness as at the inception of the tenancy, subject to normal wear and tear.
- To occupy the Premises as a residence only and use spaces for their intended living purposes.
- Not to willfully or wantonly destroy, deface, damage, impair, or remove any part of the Premises or its appurtenances, or permit others to do so.
- To properly use and operate electrical, gas, and plumbing fixtures and keep them clean and sanitary as their condition permits.
- To dispose of rubbish, garbage, recyclables, and other waste in a clean and sanitary manner and in designated bins only.

Landlord is responsible for yard/landscaping upkeep to Landlord's standards (including watering, mowing, weeding, and clipping), and Tenant(s) shall promptly advise Landlord of any landscaping problems.

Complimentary Cleaning Service, if Applicable. Certain Premises may be provided with complimentary monthly cleaning service through a third-party provider. If applicable, this service is general cleaning for common areas only; dishwashing is never included. Landlord may change the schedule, hours, or number of cleaners. Tenant(s) acknowledge all claims for damages, missing items, or loss arising from the cleaning service must be made directly to the provider, and Tenant(s) may refuse the service at any time with written notice. If Tenant(s) fail to maintain cleanliness, additional service may be arranged at Landlord's discretion at Tenant(s)' cost, to the extent permitted by law.

Misuse and Reimbursement. Tenant(s) shall reimburse Landlord for sums necessary to repair items, fixtures, or appurtenances due to Tenant(s)' or guests' misuse or negligence, to the extent permitted by law. Tenant(s) shall be responsible for cleaning or repair of plumbing fixtures where stoppage occurs due to Tenant(s)' misuse. If Landlord reasonably determines that a repair, maintenance issue, or service request was caused by Tenant(s)' or guests' misuse, negligence, or failure to comply with this Lease, Tenant(s) shall reimburse Landlord

for the reasonable cost of labor, materials, and vendor charges incurred to address such condition, to the extent permitted by law. Such determination shall not limit Tenant(s)' statutory rights under applicable habitability laws.

Landlord Repairs and Utility Interruptions. Landlord shall respond to Maintenance Requests as required by state and local law and this Lease. Landlord may turn off equipment and interrupt utilities as reasonably necessary to perform repairs or prevent damage.

Temporary Vacating and Habitability. If repairs require Tenant(s) to temporarily vacate, Tenant(s) shall comply upon lawful notice. Any legally required remedies, including any legally required relocation or rent adjustment, shall be governed by applicable law. Tenant(s) are responsible for maintaining renter's insurance as required by Section 1.8 to cover personal property and relocation expenses not required by law to be covered by Landlord. Tenant(s) shall not withhold Installments except as permitted by law, including California Civil Code §1942 and related habitability standards.

Vendor Scheduling and No-Show Fees. For scheduled maintenance requiring coordination, vendors may contact Tenant(s) directly. If Tenant presence is required, Tenant(s) must be present at the confirmed appointment to provide access. Failure to be present for a confirmed appointment may result in a no-show fee of no less than **\$65.00**, to the extent permitted by law. Any no-show fee is intended to be the vendor's actual no-show charge, or **\$65.00**, whichever is greater, to the extent permitted by law.

Labor Rates and Access Devices. Tenant(s) acknowledge Landlord may charge for tenant-caused repairs at vendor or labor rates of at least **\$85.00–\$115.00** per hour, depending on vendor billing conditions (minimum charges, pass-through charges, and day rates may apply), to the extent permitted by law. Labor rates may vary based on vendor billing conditions. If the Premises uses key fobs, loss or replacement may be charged at **\$100.00** per key fob, to the extent permitted by law.

Electronic and Smart Locks. If the Premises or any portion thereof (including entry doors or assigned room(s)) is equipped with an electronic, automatic, or smart lock requiring battery power, Tenant(s) acknowledge and agree that monitoring and maintaining adequate battery charge is a routine Tenant responsibility. Tenant(s) shall promptly notify Landlord for battery replacement instructions and take reasonable steps to prevent lock failure due to depleted batteries. Landlord is not responsible for monitoring battery status or for lock malfunctions, access issues, or lockouts resulting solely from depleted or improperly maintained batteries. Any lockout service, access assistance, or related costs arising from battery failure shall be the responsibility of Tenant(s), to the extent permitted by law. Nothing herein relieves Landlord of obligations imposed by applicable law to provide lawful access, habitability, or emergency entry, or for failures caused by Landlord's negligence, system defects, or improper installation.

3.5 MOVE-IN

Move-In Date and Requirements. Tenant(s)' authorized move-in begins at the commencement of the Lease Start Date specified in Section 1.1. All move-in Installments/charges, executed documents, and proof of renter's insurance required under Section 1.8 must be completed by the deadlines set forth in Section 1.1. Tenant(s) remain responsible for all amounts due under this Lease even if access is delayed due to Tenant(s)' failure to timely provide required Installments, documentation, signatures, or insurance.

Access Devices. Upon satisfaction of move-in requirements, Tenant(s) will be provided applicable access devices (which may include keys, key fobs, access codes, garage remotes, or mailbox keys). Tenant(s) acknowledge that locks, latches, and access devices required by applicable law are intended to be in working order at move-in. All issued access devices must be returned to Landlord upon Lease termination. Lost, damaged, or unreturned devices may result in lawful charges and/or Security Deposit deductions as permitted by law and Section 1.6 (Security Deposit). If access is provided through electronic or smart locks, Tenant(s)' battery maintenance responsibilities and lockout costs are governed by Section 3.4.

Post Move-In Work. As stated in Section 3.1 (Acceptance of Premises), some non-emergency repairs or finishing work may continue after move-in; Tenant(s) agree to allow reasonable access to complete such work.

3.6 RIGHT OF ENTRY AND INSPECTIONS

General Rule. Landlord may enter the Premises only as permitted by law, including California Civil Code §1954, and as provided in this Lease. For clarity, Landlord may enter the Premises as permitted by law, including California Civil Code §1954, and as provided in this Lease.

Permitted Entry Purposes. Permitted entry purposes include, without limitation: emergencies; necessary or agreed repairs, decorations, alterations, or improvements; providing necessary or agreed services; testing smoke and carbon monoxide detection devices; providing extermination or pest-control services; showing the Premises to prospective or actual purchasers, mortgagees, tenants, workers, or contractors; conducting inspections pursuant to Civil Code §1950.5(f); purposes relating to water conservation and sub-metered water (Civil Code §1954.201 et seq., where applicable); abandonment or surrender; and entry pursuant to court order.

Notice Requirements. Landlord shall provide written notice as required by law before entry into areas within Tenant(s)' exclusive possession, unless an exception applies, including:

- Emergency;
- Surrender or abandonment;
- Tenant(s) are present and consent at the time of entry;

- Oral agreement for entry to make agreed repairs or supply agreed services within one (1) week of the oral agreement (not applicable to water-submeter reading where applicable);
- Showing the Premises in connection with sale, where prior notice that the Premises is for sale has been provided as required by law.

Posting of Signs. Landlord may display “For Sale,” “For Lease,” or “Vacancy” signs as permitted by law.

Co-Living Entry Clarification. If Tenant(s) lease a Co-Living Unit, the additional Co-Living entry provisions in Section 2.2 apply, including that entry into shared or common areas may occur without additional notice to the extent permitted by law.

No Waiver of Entry Rights. Tenant(s) acknowledge that Landlord’s entry rights under this Lease and applicable law are ongoing. Landlord’s prior failure to exercise a right of entry, or decision to provide additional notice beyond what is legally required, shall not be deemed a waiver of Landlord’s lawful entry rights in future instances.

3.7 RIGHT TO MODIFY AND PERFORM WORK

Construction and Modification Rights. Tenant(s) acknowledge and agree that Landlord has the right to modify and perform construction or other work at the Premises, including but not limited to work that may reduce or eliminate common areas or amenities, whether minor or substantial. Tenant(s) agree to cooperate and not interfere with such work.

Notice of Substantial Work. Landlord shall provide no less than thirty (30) days’ written notice prior to commencing “substantial work” at the Premises, where required and to the extent permitted by law. For purposes of this Lease, “substantial work” includes additions, renovations, and other significant alterations or improvements.

Los Angeles Regulations and Remedies. Tenant(s) and Landlord acknowledge and agree to comply with all applicable Los Angeles Housing and Community Investment Department (LAHD) regulations and guidelines regarding required notices and remedies. Any remedies relating to habitability, relocation, rent adjustment, or quiet enjoyment arising from construction activity shall be governed by applicable law and LAHD requirements. Tenant(s) acknowledge that construction activity may occur during the Lease Term and agree not to make claims inconsistent with applicable law.

3.8 RENEWAL OF LEASE

Renewal Conditions. A “renewal” occurs only if all current residents renew. If any resident changes, the tenancy shall be treated as a new lease. Only in the case of a renewal may the Security Deposit be carried forward, subject to Landlord’s renewal documentation; otherwise, a new Security Deposit shall be required. Tenant(s) shall vacate the Premises on the Lease End Date specified in Section 1.1 unless Landlord confirms a renewal in writing. Any renewal is subject to Landlord’s approval and execution of a written renewal agreement and does not guarantee the same terms, rates, Total Payment Amount, or Installments.

Pre-Leasing and Renewal Timing. Tenant(s) acknowledge and agree that the Premises may be subject to advance pre-leasing, including immediately upon commencement of this Lease and up to twelve (12) months prior to anticipated occupancy. Landlord reserves the right, at any time during the Lease Term, to begin pre-leasing the Premises and to request that Tenant(s) confirm whether they intend to renew or decline renewal by a deadline communicated by Landlord. Failure to timely respond by the stated deadline shall be deemed a decision not to renew.

First Opportunity to Renew. Subject to Landlord’s approval and pre-leasing requirements, Tenant(s) in good standing shall be given the first opportunity to elect whether to renew the Lease for a subsequent term before the Premises is committed to a new resident, provided Tenant(s) timely respond to Landlord’s renewal request. Nothing in this Section shall be construed as a guarantee of renewal, a right to renew on the same terms, or a limitation on Landlord’s right to pre-lease, market, or show the Premises.

Execution Deadline. Any renewal or new lease must be fully executed within four (4) weeks of Tenant(s)’ request to renew in order to be effective and for Landlord to cease marketing the Premises. Failure to execute a renewal agreement within such period shall be deemed a decision not to renew unless Landlord agrees otherwise. **For Co-Living tenancies, Landlord may designate a shorter execution deadline, which may be as short as two (2) weeks.**

Nothing in this Section obligates Tenant(s) to renew or obligates Landlord to offer a renewal. All renewal decisions, timelines, and terms shall be subject to applicable law.

3.9 MOVE-OUT

Vacate by Lease End Date and Delayed Move-Out Fees. Tenant(s) are obligated to pay Installments through the Lease End Date specified in Section 1.1 and must vacate and surrender possession by 12:00 p.m. on the Lease End Date. If Tenant(s) remain in possession past 12:00 p.m. on the Lease End Date, Tenant(s) shall be charged the following Delayed Move-Out fees (earned when charged), to the extent permitted by law:

- **Initial Delay Fee (Lease End Date).** \$300.00 up to the first hour; plus \$100.00 for each additional hour thereafter, up to a maximum of five (5) additional hours; maximum \$800.00 total for the Lease End Date.
- **Additional Delay Fee (After Lease End Date).** Any additional or partial day thereafter: \$1,000.00 per day.

Landlord may deduct Delayed Move-Out fees from the Security Deposit to the extent permitted by law and to the extent funds are available. Any unpaid balance not covered by the Security Deposit shall be due within five (5) calendar days after written invoice. All Delayed Move-Out fees are intended as a reasonable estimate of Landlord's anticipated damages and administrative costs and are not intended as penalties. Tenant(s) acknowledge and agree that the Delayed Move-Out fees set forth in this Section represent a reasonable estimate of the damages Landlord is likely to incur as a result of Tenant(s)' failure to timely surrender possession, including lost rental opportunities, administrative costs, vendor rescheduling, and operational disruption, where actual damages would be impracticable or extremely difficult to determine in advance. These fees are not intended as a penalty and shall be imposed only to the extent permitted by law.

Surrender, Abandonment, and Eviction. Surrender, abandonment, or eviction ends Tenant(s)' right of possession for all purposes and gives Landlord the right to clean, repair, and re-rent; determine Security Deposit deductions; and remove property left in the Premises, subject to Landlord's legal obligations (including mitigation). Tenant(s) shall not store belongings at the Premises after 12:00 p.m. on the Lease End Date. Property left behind may be treated as abandoned in accordance with applicable law, and Tenant(s) may be charged actual cleaning, hauling, storage, and related costs as permitted by law.

Cleaning, Hauling, and Vendor Charges. A professional cleaning charge may apply at vendor or labor rates of no less than \$85.00–\$115.00 per hour, subject to vendor billing and conditions, to the extent permitted by law. Hauling, disposal, and storage costs may also apply for removal of furniture or belongings left behind, based on actual vendor charges.

Normal Wear and Tear. "Normal wear and tear" means deterioration resulting from intended residential use and does not include deterioration caused by negligence, carelessness, accident, abuse, misuse, or unauthorized alterations by Tenant(s) or guests.

Move-Out Charges. Tenant(s) shall be liable for lawful move-out charges, including without limitation: unpaid Installments; unpaid utilities, Community Fees, or RUBS; unreimbursed service charges; repairs or other damages; replacement cost of Landlord property that is damaged or missing; unreturned keys, key fobs, or clickers; missing or burned-out light bulbs; removal or re-keying of unauthorized security devices; hauling and storage; removing illegally parked vehicles; animal-related charges; government fees or fines caused by Tenant(s) or guests; and late or returned-payment charges, plus attorneys' fees, court costs, and filing fees actually paid where recoverable under this Lease and applicable law. If the unit was repainted before move-in, Tenant(s) may be charged for repainting based on actual repainting and cleaning needs beyond normal wear and tear. If a final utility bill is unavailable at move-out, final utilities may be reasonably estimated based on historical usage and reconciled when actual bills are received, consistent with Section 1.7.

Co-Living Allocation. If Tenant leases a Co-Living Unit as specified in Section 1.1, Tenant(s) bear sole responsibility for the private area(s) and shared responsibility for shared areas. Shared areas are living areas shared with other Co-Living residents within the Co-Living Premises. Move-out charges for shared areas may be reasonably allocated among Co-Living residents of the Premises when responsibility cannot be reasonably determined, consistent with Section 2.2 and applicable law.

Co-Living Allocation with Different End Dates. In some cases, Co-Living residents may have different Lease End Dates. If one resident vacates while other residents' tenancies continue, Landlord must perform a final inspection, as reasonably necessary, of the vacating resident's private area(s) and the shared areas to which the vacating resident had access in order to complete the vacating resident's move-out and process the Security Deposit. The vacating resident shall be solely responsible for the reasonable cost of professional cleaning of the shared areas to which the vacating resident had access, to the extent such cleaning is reasonably necessary to complete the vacating resident's move-out. Damage to shared areas beyond normal wear and tear shall be allocated to the responsible Tenant(s) where responsibility can be reasonably determined, or reasonably allocated among affected Co-Living residents where responsibility cannot be reasonably determined, consistent with Section 2.2 and applicable law. Such charges shall reflect actual vendor or labor costs at the rates described in this Lease, shall constitute lawful move-out charges, and may be deducted from the Security Deposit and/or billed to Tenant(s) as permitted by law. If final vendor invoices are not reasonably available at the time of Security Deposit accounting, Landlord may provide a reasonable good-faith estimate of such costs, which shall be reconciled with actual costs when invoices are received, as required by applicable law.

3.10 NOTICE TO VACATE

Lease End and Surrender of Possession. Tenancy under Tenant(s) ends on **07/20/2027**, and Tenant(s) shall deliver possession of the Premises to Landlord on **07/20/2027**. Tenant(s) shall remove all persons and personal property and leave the Premises in broom-clean condition.

Invalid Early or Alternative Notice Dates. Any notice to vacate date that is not the Lease End Date is invalid. Any earlier notice to vacate date is void and disregarded.

By initialing below, you acknowledge and agree to the terms in Section 3.

X PB
Premankur Banerjee

4. General Clauses

4.1 LEASE OBLIGATIONS AND DEFAULT

No Early Release. Unless Landlord agrees otherwise in a written agreement signed by Landlord, Tenant(s) shall not be released from this Lease for any reason, including but not limited to voluntary or involuntary school or organization withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of co-residents, loss of employment, global pandemic, acts of God, state of emergency, illness, or death. Nothing herein is intended to waive or limit any termination rights expressly provided by applicable California law.

Early Vacating. If Tenant(s) vacate the Premises prior to the Lease End Date (or any agreed extension), Tenant(s) remain responsible for amounts due under this Lease, including Installments, subject to Landlord's duty to mitigate damages as required by California law. Nothing in this Lease is intended to waive, limit, or restrict any rights or remedies available to Tenant(s) under applicable California law, including rights relating to habitability, notice, mitigation, or termination where such rights cannot be waived.

Assignment and Subletting. Tenant(s) shall not assign this Lease, sublet any portion of the Premises, or advertise or list the Premises (or any portion) on Airbnb, Couchsurfing, or any other short-term rental or listing service, without Landlord's prior written consent.

Events of Default. Tenant(s) shall be in default if Tenant(s) or any guest violates any term of this Lease, including failure to pay Installments or other sums when due; violation of policies or rules; abandonment; providing false or misleading application information; or engaging in prohibited conduct.

Repeated Late Payments. To the extent permitted by law, it shall be deemed a material default if Tenant(s) fail to pay Installments when due three (3) times in any twelve (12) month period.

Serious Violations. Smoking of any substance on the Premises, and tampering with or disabling smoke or carbon monoxide detection devices, shall constitute a material breach and may be treated as non-curable to the extent permitted by applicable law.

Enforcement. Upon default, Landlord may pursue any remedies available under this Lease and applicable law, including service of any required notice(s) and filing an unlawful detainer action where appropriate. All enforcement actions shall be subject to applicable notice and cure requirements under California law, where required. Nothing in this Lease shall be construed to provide for automatic termination of tenancy upon default. Any termination, eviction, or forfeiture of tenancy rights shall occur only in compliance with applicable notice, cure, and procedural requirements under California law.

Failure to Deliver Possession. If the Premises cannot be delivered on the Lease Start Date due to loss, destruction, or failure of a prior tenant to vacate, either party may terminate this Lease upon written notice, and amounts paid for undelivered periods shall be refunded as required by law.

Construction Delays. If the Premises is under construction or scheduled for remodel such that delivery is delayed, Landlord may extend the Lease Start Date up to sixty (60) days and may provide alternative housing at Landlord's discretion, consistent with applicable law.

Abandonment. Landlord may deem the Premises abandoned and proceed under California Civil Code §1951.2 upon reasonable belief of abandonment and service of required notice.

Severability. If any provision of this Lease is held invalid or unenforceable, the remainder shall remain in full force and effect to the fullest extent permitted by law.

4.2 AMENDMENTS AND DISPUTE RESOLUTION

Written Amendments Only. This Lease may be amended, waived, or terminated only by a written agreement signed by Landlord. No verbal promises, representations, or agreements are binding unless reduced to writing and signed by Landlord.

No Waiver. Landlord's failure to enforce any term, or delay in enforcement, shall not constitute a waiver of Landlord's right to enforce that term or any other term. Acceptance of Installments or other sums with knowledge of a default shall not waive the default unless Landlord expressly agrees in writing. Nothing in this Lease is intended to waive, limit, or restrict any rights or remedies available to Tenant(s) under applicable California law, including rights relating to habitability, notice, mitigation, or termination where such rights cannot be waived.

Unlawful Detainer Rights Preserved. Payments made or accepted during or after service of a notice shall not constitute a waiver of Landlord's right to proceed with an unlawful detainer action unless Landlord expressly acknowledges such waiver in writing.

Governing Law and Venue. This Lease shall be governed by California law.

Attorneys' Fees Cap. In any legal action or proceeding arising out of this Lease or the Premises, whether based in contract or tort, the prevailing party shall be entitled to recover amounts due and reasonable attorneys' fees and costs, not to exceed \$1,500.00, to the extent permitted by law.

Jury Trial Waiver. To the extent permitted by law, the Parties waive the right to trial by jury in any action arising from or relating to this Lease.

Arbitration of Personal Injury Claims. Any dispute between the Parties arising from or relating to a claim for personal injury directly or indirectly related to a condition of the Premises or common areas, or any event thereon, shall be resolved by arbitration administered by the American Arbitration Association in the county where the Premises is located before three (3) arbitrators (each party selects one; the two select a third), subject to:

- a written demand within 180 days of the claim arising (and not later than the applicable statute of limitations);
- arbitrators' authority extends to punitive damages and class actions to the extent permitted;
- each party bears its own fees/costs; attorneys' fees awarded shall not exceed \$1,500.00;
- administrative fees/costs and arbitrators' fees must be advanced prior to panel selection and borne equally;
- the award is final and judgment may be entered in a court of competent jurisdiction.

Application Truthfulness. All statements in Tenant(s)' rental application must be true; material misrepresentations constitute a material breach.

4.3 INDEMNIFICATION AND LIABILITY

Indemnification. To the fullest extent permitted by law, Tenant(s) shall indemnify, defend, and hold harmless Landlord and Landlord's employees, agents, and lenders from and against claims, losses, damages, liabilities, penalties, and expenses, including reasonable attorneys' fees, arising out of or related to Tenant(s)' or guests' use or occupancy of the Premises, acts or omissions, or breach of this Lease, except to the extent caused by Landlord's gross negligence or willful misconduct.

Tenant Property / Personal Injury Risk. Except as otherwise required by law, Tenant(s) assume the risk of damage to Tenant(s)' and guests' personal property and injury to persons on or about the Premises not caused by Landlord's negligence or willful misconduct.

Damage to Premises / Furnishings. Tenant(s) are responsible for Losses (including property damage, repair/replacement costs, and restoration) caused by Tenant(s) or guests, including damage to walls, ceilings, floors, carpets, doors, and Landlord-provided furnishings and fixtures, beyond normal wear and tear. Tenant(s) shall promptly report vandalism or damage.

4.4 NOTICES

To Tenant(s). Notices to Tenant(s) may be served by first-class mail, email, or personal delivery to the Premises (whether or not Tenant(s) are present at delivery), to the extent permitted by applicable law.

To Landlord. Notices to Landlord shall be served by first-class mail to:

10573 W. Pico Blvd, Suite 213, Los Angeles, CA 90064.

4.5 SALE TRANSFER AND ESTOPPEL

Estoppel Certificate. In the event of sale or refinance, Tenant(s) shall execute and deliver a Tenant Estoppel Certificate (or similar certification) within five (5) days of written request, confirming that this Lease is unmodified and in full force and effect (or listing any written modifications). Failure to return the certificate within the required period shall be deemed Tenant(s)' acknowledgment that the certificate as presented by Landlord is true and may be relied upon by a purchaser or lender.

Assignment by Landlord. Tenant(s) acknowledge that Landlord may sell, transfer, or assign the Property and/or this Lease. This Lease remains binding through the Lease End Date regardless of ownership. Any disagreement, dispute, or arrangement among Tenant(s) regarding allocation of Installments, charges, or other obligations under this Lease shall not affect Tenant(s)' joint and several liability to Landlord and shall not constitute a defense to any enforcement action by Landlord.

4.6 INSTALLMENTS AND JOINT LIABILITY

Installments Defined. All sums owed under this Lease, other than the Security Deposit, are "Installments" (including utilities, fees, charges, and other amounts defined as additional rent under the Lease), to the extent permitted by law.

Joint and Several Liability. Each Tenant is jointly and severally liable for all Lease obligations. Notice to, or requests from, any one Tenant shall constitute notice to/from all Tenant(s), including maintenance requests and entry permissions. Any dispute among Tenant(s) regarding allocation of obligations must be resolved among Tenant(s) without Landlord involvement.

4.7 MEGAN'S LAW NOTICE

Public Access to Information. Pursuant to California Penal Code §290.46, information about specific registered sex offenders is made available to the public via a website maintained by the California Department of Justice at www.meganslaw.ca.gov.

4.8 PROPOSITION 65 WARNING

General Warning. Pursuant to California law, Tenant(s) are hereby notified that the Premises may expose occupants to chemicals known to

the State of California to cause cancer, birth defects, or other reproductive harm.

Sources of Exposure. Such chemicals may be present in or released from building materials, maintenance products, and equipment used at the property, as well as from activities conducted on or near the Premises, including but not limited to the operation of motor vehicles, barbeques, and the use of tobacco products.

Examples of Chemicals. These chemicals may include, but are not limited to, carbon monoxide, formaldehyde, tobacco smoke, unleaded gasoline, soot, tar, and mineral oils.

4.9 LEAD-BASED PAINT DISCLOSURE

General Information. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not properly managed. Exposure to lead is especially harmful to young children and pregnant women. Federal law requires that, before renting pre-1978 housing, Landlord disclose any known information regarding lead-based paint and lead-based paint hazards in the dwelling and provide Tenant(s) with a federally approved pamphlet regarding lead hazards.

Landlord Disclosure. Landlord has no actual knowledge of the presence of lead-based paint or lead-based paint hazards in the Premises and has no reports or records pertaining to lead-based paint or lead-based paint hazards in the Premises.

Tenant Acknowledgment. Tenant(s) acknowledge receipt of the federally approved pamphlet entitled *"Protect Your Family From Lead in Your Home."* Tenant(s) agree to promptly notify Landlord in writing of any deteriorated, chipping, or peeling paint observed in the Premises during the tenancy.

Certification of Accuracy. The undersigned parties certify that the information provided above is true and accurate to the best of their knowledge.

4.10 MOLD DISCLOSURE

General Information. A certain amount of mold is present in all indoor environments. Excess moisture and poor ventilation can contribute to mold growth, which may pose health risks. Proper housekeeping, moisture control, and prompt reporting of water intrusion are important to limiting mold development. California law requires Landlord to disclose known mold conditions and to provide Tenant(s) with informational materials regarding mold and dampness.

Landlord Disclosure. Landlord has inspected the Premises and is not aware of any visible mold growth or mold-related conditions that would require remediation under California Health and Safety Code §17920.3 at the time of Lease execution.

Tenant Acknowledgment. Tenant(s) acknowledge receipt of the informational pamphlet entitled *"Information on Dampness and Mold for Renters in California."* Tenant(s) agree to promptly notify Landlord in writing of any suspected mold growth, persistent moisture, water intrusion, leaks, or damp conditions observed in the Premises during the tenancy.

Certification of Accuracy. The undersigned parties certify that the information provided above is true and accurate to the best of their knowledge at the time of execution.

4.11 ASBESTOS DISCLOSURE

General Information. If the Property was constructed prior to 1981, building materials used at the time may contain asbestos-containing materials. Landlord has no actual knowledge of asbestos hazards and has no reports or records indicating the presence of asbestos hazards at the Premises. The United States Environmental Protection Agency (EPA) has determined that the mere presence of asbestos-containing materials does not pose a health risk if such materials are in good condition and remain undisturbed. Activities such as sanding, scraping, drilling, pounding, or other remodeling or repair work that creates dust may cause asbestos fibers to become airborne and increase the risk of exposure. Federal law does not require asbestos-containing materials to be removed if they are intact and not disturbed, but does require reasonable precautions to minimize the risk of disturbance.

Tenant Acknowledgment and Responsibilities. Tenant(s) acknowledge and agree that no improvements, alterations, modifications, or repairs to the Premises shall be made without Landlord's prior written approval. Any such approval shall be conditioned upon Landlord's acceptance of a written plan designed to prevent the disturbance or release of asbestos fibers. Tenant(s) may hang pictures or wall décor only using hangers or fasteners not exceeding one-quarter inch (¼") in diameter, unless otherwise approved in writing by Landlord. Tenant(s) agree to promptly notify Landlord in writing of any damage to or deterioration of walls, ceilings, or other surfaces, including cracking, crumbling, peeling, flaking, hanging material, water intrusion, leaks, or stains.

4.12 PUBLIC HEALTH EMERGENCIES

Tenant(s) acknowledge and agree that during a declared global pandemic or public health emergency, Landlord may implement reasonable procedures intended to minimize risk and comply with guidance or orders of applicable authorities. Tenant(s) agree to comply with such procedures to the extent permitted by law.

4.13 ENTIRE AGREEMENT

Entire Agreement. This Lease, together with all addenda, amendments, exhibits, rules, policies, schedules, and attachments incorporated by reference, constitutes the entire agreement between the parties and supersedes all prior or contemporaneous oral or written agreements, representations, or understandings relating to the Premises. Tenant(s) acknowledge and agree that they have relied solely on their own judgment in entering into this Lease, have had the opportunity to consult with legal counsel of their choosing, have read and understand the terms of this Lease, and have received a copy of this Lease and all applicable addenda.

Signed Amendments. Any amendment or modification that materially alters the financial obligations, Lease Term, or possession rights of Tenant(s) must be in writing and signed by Landlord and Tenant(s), unless otherwise permitted by applicable law.

Policies and Operational Addenda. House rules, community policies, parking rules, fee schedules, and similar operational addenda may be adopted, updated, or enforced by Landlord as provided in this Lease and shall be binding upon Tenant(s) when delivered or made available in accordance with this Lease, whether or not separately signed by all parties, to the extent permitted by law.

By initialing below, you acknowledge and agree to the terms in Section 4.

X PB
Premankur Banerjee

Orion Housing, LLC.

10573 W Pico Blvd, Suite 213 • Los Angeles, CA 90064
(310) 616-6684

5. Free Promotional Concession

5.1 LEASE ADDENDUM

This Lease Addendum, is entered into by and between Tenant(s) (defined as “you, the undersigned resident(s)” in the Lease Agreement, and/or otherwise determined as tenants through counterparty signatures as part of the original Lease Agreement) and Landlord (Orion Housing, LLC. and its affiliates, employees, contractors, and representatives) to further clarify certain terms of the original Lease Agreement for the Premises located at:

**1421 W Adams Blvd Unit 206
Los Angeles, CA 90007**

5.2 FREE PROMOTIONAL CONCESSION

As a promotional concession, Landlord agrees to apply a promotional concession towards the Discounted Installment in a total promotional amount of \$3,720.00 (the “Free Promotional Concession”).

The parties agree that this total promotional amount will be applied as follows: \$1,860.00 - Credit for June 2027 and \$1,860.00 - Credit for July 2027

For clarity, the Free Promotional Concession may consist of partial or more full Discounted Installment and/or partial Discounted Installment, so long as the total dollar value of the concession equals the amount stated above.

This concession applies only to base Discounted Installment. Tenant(s) remain fully responsible for all other charges due under the Lease during the period(s) covered by the Free Promotional Concession, including but not limited to: utilities, Community Fee, parking, RUBS/ utility reimbursements, late fees, NSF fees, damages, and any other amounts defined as additional charges.

5.3 APPLICATION OF CREDIT; NO CASH VALUE

The Free Promotional Concession shall be applied as a one-time credit (or series of credits) on Landlord’s books and will appear as a credit for the corresponding Discounted Installment on Tenant’s ledger.

The concession:

- Has no cash value,
- May not be transferred, assigned, or rolled over to any other installment or month beyond what is described above, and
- May not be applied to past-due balances, fees, or any other installments unless Landlord agrees in writing.

5.4 CONDITIONED ON FULL PERFORMANCE

These Free Promotional Concession(s) are expressly conditioned on Tenant(s):

- Paying all other amounts due under the Lease on time;
- Not defaulting under any term of the Lease; and
- Completing the full Lease Term through the Lease End Date stated in Section 1.1 of the Lease.

If Tenant(s):

- Move out before the Lease End Date (early termination, transfer, or abandonment);
- Are evicted or have their tenancy terminated for breach; or
- Otherwise materially default and fail to cure as allowed by law,

then the Free Promotional Concession(s) concession is automatically revoked, and the total amount of the waived Discounted Installment described above shall become immediately due and payable as additional rent, and may be deducted from the Security Deposit and/or collected as any other rent under the Lease.

5.5 NO CHANGE TO LEASE TERM OR BASE RENT

The Free Promotional Concession(s) do not change:

- The Lease Start Date or Lease End Date;
- The "Total Rent Amount for the entire Lease Term" or "Monthly Installment (Original)" as defined in Sections 1.1 and 1.4 of the Lease; or
- Any other financial terms except as expressly stated in this Addendum.

The parties agree that this Addendum is a temporary promotional concession only, not a permanent reduction of the contractual base rent or the Monthly Installment (Original).

After the period in which the Free Promotional Concession(s) are applied, Tenant(s) shall resume paying the Discounted Installment (or such other amount as may then be due under the Lease) as set forth in the Lease.

5.6 MISCELLANEOUS

In the event of a conflict between this Addendum and the Lease regarding the Free Promotional Concession(s), this Addendum controls. Otherwise, the Lease controls.

This Addendum applies only to the current Lease Term and does not apply to any renewal, extension, or new lease unless expressly stated in a separate written addendum.

5.7 ACCEPTANCE OF LEASE ADDENDUM

No other provisions of the Current Lease shall be changed, modified, or amended as part of this Lease Addendum, and no other changes shall be valid unless done so in writing (either through this Addendum, any prior Addendum, or any subsequent Addendum).

By signing below, you acknowledge and agree to the terms in Section 5.

6. Renewal Amendment

6.1 LEASE AMENDMENT

This LEASE AMENDMENT, is entered into by and between Tenant(s) (defined as "you, the undersigned resident(s)" in the Lease Agreement, and/or otherwise determined as tenants through counterparty signatures as part of the original Lease Agreement) and Landlord (Orion Housing, LLC. and its affiliates, employees, contractors, and representatives) to further clarify certain terms of the original Lease Agreement for the Premises located at:

1421 W Adams Blvd Unit 206
Los Angeles, CA 90007
Co-Living Sub-Unit: Room 3

Tenant(s) and Landlord acknowledge and agree that although this Lease Agreement, hereinafter referred to as "Current Lease", is a new lease, it is also a lease extension or renewal. Parts of the prior lease agreement dated **04/07/2025**, hereinafter referred to as "Prior Lease", shall be carried over and further clarified as follows:

6.2 MOVE-IN

Tenant(s) and Landlord acknowledge and agree that by signing the Current Lease, Tenant(s) are not required to move out of the Co-Living Sub-Unit by the Lease End Date of the Prior Lease which is **07/20/2026** and this prior Lease End Date shall be extended to the new Lease End Date of the Current Lease which is **07/20/2027**.

Because Tenant(s) are not required to move out by **07/20/2026**, Tenant(s) are also not required to move in by **07/21/2026**.

6.3 SECURITY DEPOSIT & PREPAYMENT

Tenant(s) acknowledge and agree that Security Deposit of the Prior Lease in the amount of **\$1,500.00** shall carry over to the Current Lease. Additional Security Deposit required for the Current Lease, if applicable, is \$50.00.

Tenant(s) acknowledge and agree that a reduction of their Security Deposit of the Prior Lease in the amount of \$N/A shall be posted and credited on **07/21/2026** if applicable. This credit shall be posted on the Tenant Ledger to be used for the following month's rental charge.

Tenant(s) acknowledge and agree that Prepayment of the Prior Lease in the amount of **\$N/A** shall also carry over to the Current Lease. Additional Prepayment required for the Current Lease, if applicable, is \$N/A. **For the sake of clarify, Prepayment of the Prior Lease that was to apply to Prior Lease's last month(s) of Installment shall now be carried over to apply to Current Lease's last month(s) of Installment.**

6.4 CONDITION OF PREMISES & CO-LIVING SUB-UNIT

While Tenant(s) shall not be required to move-out of Co-Living Sub-Unit, the shared parts of the Premises may still be subject to move-out by other resident(s). Tenant(s) acknowledge and agree that after the end of Prior Lease which is **07/20/2026**, Landlord shall reserve right to enter the Premises to inspect and perform necessary cleaning and repairs to restore the Premises back to original condition of prior move-in which is **08/10/2025**.

Tenant(s) further acknowledge and agree that all shared portions of the Premises, including but not limited to shared areas or rooms, shared appliances and furnishings, yards, etc. are subject to this necessary cleaning and repairs, as if normal move-out has occurred, and Tenant(s) shall be charged shared portion of the charges to restore the Premises back to the original condition of move-in. The restoration shall be completed within 21 days after **07/20/2026** and the charge shall be posted to the tenants portal for payment. Payment shall be due within 2 weeks from the date it was posted. The shared portion of the charges shall be based on total charge split evenly based on the number of resident(s) on the Premises.

Only Tenant(s)' Co-Living Sub-Unit (with private bathroom if applicable) shall carry over to the Current Lease and shall not be subject to above cleaning and repairs. Tenant(s) acknowledge and agree that conditions of Co-Living Sub-Unit (with private bathroom if applicable) shall be subject to the proper cleaning and repairs at the end of the Current Lease which is **07/20/2027**, at which time Tenant(s) shall restore the Co-Living Sub-Unit back to the original condition from the move-in date of the Prior Lease which is

08/10/2025 , excluding "normal wear and tear".

Tenant(s) acknowledge and agree that Tenant(s)' acceptance of this LEASE AMENDMENT serves as Notice of Entry for Landlord to enter the Premises without additional Notice of Entry.

6.5 ACCEPTANCE OF LEASE AMENDMENT

No other provisions of the Current Lease shall be changed, modified, or amended as part of this LEASE AMENDMENT, and no other changes shall be valid unless done so in writing (either through this AMENDMENT, any prior AMENDMENTS, or any subsequent AMENDMENTS).

By signing below, you acknowledge and agree to the terms in Section 6.

7. Foxen Addendum

7.1 FOXEN ADDENDUM

Lease Addendum: Resident Insurance Obligation and Property Damage Liability Waiver Program

To meet the minimum liability insurance requirements described in Section 1, you are eligible to participate in the Community's Property Damage Liability Waiver Program (the "Waiver Program") as described in Section 2. You will be automatically enrolled in the Waiver Program when your lease begins unless you opt out of enrollment as described in Section 3.

1. **Insurance Obligation.** You must purchase and maintain, for the entire lease term (including any renewals), a personal liability insurance policy covering you, your occupants, and your guests. The policy must:
 - Provide at least \$100,000 in liability coverage per occurrence for the perils of fire, sudden and accidental smoke, explosion, and water/other liquid overflows or leaks.
 - Correctly state your apartment address.
 - List your apartment community name as an "Interested Party" at PO Box 12367, Columbus, OH 43212.

If your current insurance provider offers the option for a notification of change email, you should list the email address of our insurance monitoring service provider: status@foxen.com.

You are free to obtain coverage from any insurer so long as the policy meets these requirements. If we do not receive proof of insurance—or if your policy lapses—you will be automatically enrolled in the Property Damage Liability Waiver Program as described below.

1. **Property Damage Liability Waiver Program ("Waiver Program").**
1. **Waiver Program Terms.** You will be automatically enrolled in the Waiver Program upon commencement of your lease *if you do not purchase insurance and submit proof of insurance as described under Sections 1 and 3, or if you purchase insurance but the policy lapses during your lease term.* The cost of the Waiver Program is \$15.00 per month.

Enrollment in the Waiver Program waives the following lease obligations:

- to purchase and maintain at least \$100,000 in liability insurance as described above; and
- to reimburse us for up to \$100,000 in damage to our property from (1) fire; (2) sudden and accidental smoke; (3) explosion; or (4) water or other overflowing liquid that you accidentally cause as a result of your negligence (these incidents are "**Qualifying Incidents**").

The Waiver Program waives up to two accidents during your lease term with a maximum of two accidents in any 12-month period. You must immediately report all property damage to us. Failure to do so promptly once becoming aware of it may mean that you do not get the full benefits of the Waiver Program.

1. **Reimbursement for Personal Property and Displacement Costs.** If you negligently cause damage through a Qualifying Incident, the Waiver Program may offer reimbursement for personal property damage to affected residents and temporary living expenses when residents are displaced during repairs. These reimbursements are an incidental feature we offer as part of your Waiver Program.

These reimbursements are only available if the total cost to repair our property is less than \$100,000. We will provide reimbursements *only to the extent* there are funds left over from this \$100,000. Reimbursements, if available, will be made in the following order:

- **First**, we will reimburse up to \$10,000 for damage to personal property of residents affected by the Qualifying Incident *excluding* you. This amount will be shared among all such affected residents.
- **Second**, if any portion of the \$10,000 remains, we will reimburse you for damage to your personal property.
- **Third**, if the combined cost of property repairs and personal property reimbursements are still less than \$100,000, we will reimburse up to \$1,000 for temporary living expenses. This amount is to be shared equally among all affected residents including you.

YOU ARE NOT ELIGIBLE TO BE REIMBURSED FOR PERSONAL PROPERTY OR DISPLACEMENT COSTS IN ANY AMOUNT IF YOU CAUSE \$100,000 OR MORE IN COMBINED DAMAGE TO THE PROPERTY AND OTHER RESIDENT'S PROPERTY OR \$10,000 OR MORE IN DAMAGE TO OTHER RESIDENT'S PROPERTY.

1. **The Waiver Program is not insurance.** Rather, we are waiving our right to seek reimbursement from you for damages you accidentally cause to our property. We do not maintain insurance for your benefit. You should consult an insurance professional to determine your personal insurance needs. Participation in the Waiver Program does not prohibit or otherwise restrict you in any way from purchasing insurance.
1. **Opting Out of the Waiver Program.** If you do not want to participate in the Waiver Program, you can submit proof of insurance that meets the requirements under Section 1. **The proof should be sent to our service provider, Foxen Administration, LLC ("Foxen"), by visiting www.foxen.com and clicking "Upload Proof of Insurance" or logging onto the Resident Portal. Or simply scan this QR Code and follow the instructions.**

Foxen may send you emails to remind you of convenient ways to present your proof of insurance. Foxen may also send you notifications when it appears that your insurance policy is scheduled to expire or the insurer sends notice that it has been cancelled.

1. **What the Waiver Program Does Not Include.** For any type of incidents or damage beyond those expressly listed above, the Waiver Program does not waive your liability or offer you reimbursement. *By way of example only*, the Waiver Program does not include: (i) waiver of liability to any third parties; (ii) damage or loss caused by theft, burglary, or vandalism; (iii) bodily or personal injury; (iv) damage caused by intentional misconduct; (v) damage from any type of weather event, such as frozen or burst water pipes, or other natural disaster; and (vi) damage caused by illegal substances or malicious acts.

The Waiver Program does not apply to any leases that are not standard residential leases and rentals including, but not limited to, short-term rentals, vacation rentals, corporate leases, timeshares, transient lodging, and hospitality stays. Also, the Waiver Program will not apply to sublets unless the sublessee signs a written agreement acknowledging that the sublessee is bound by all terms of the original Lease including this Addendum.

1. **Additional Terms and Disclosures.** This Addendum is attached to and is a part of the Lease Agreement. If the terms of the Lease and this Addendum conflict, the terms of this Addendum will apply. We may change the terms and conditions of the Waiver Program or discontinue the Waiver Program at any time. Once the Waiver Program is discontinued, you must purchase insurance as required by the Lease. By enrolling in the Waiver Program, you also agree that Foxen may contact or market additional offerings and services to you. Visit <https://www.foxen.com/privacy-policy> to access Foxen's Privacy's Policy, which provides instructions on how to opt out of Foxen's marketing if you wish.

By signing below, I acknowledge that I have read and understand the above terms and conditions, including that I will be enrolled in the Waiver Program when my lease begins unless I opt out of the Waiver Program as described in this Lease Addendum.

By signing below, you acknowledge and agree to the terms in Section 7.

8. RentPlus Addendum

8.1 RENTPLUS ADDENDUM

The RentPlus service is a credit reporting and financial tool provided by Homebody Insurance Agency, LLC and its affiliate Simplified Business Group, LLC, also known as Rent Dynamics (“Entrata”), to report Resident’s rent and/or utility payments due under the Rental Agreement to one or more consumer reporting agencies (e.g., Equifax, TransUnion, and/or Experian). RentPlus is an amenity provided by the property for which all Residents are automatically enrolled. Within three business days of signing this addendum Resident will receive an email from support@rentplus.com with details about the RentPlus service. Should Resident decide not to continue with the RentPlus service, Resident will have one month to opt out without incurring any cost.

After the first month of RentPlus services, the cost of the RentPlus service is \$8.95 per month if there is one Resident participating, or a combined service fee of \$14.95 per month if there are multiple Residents participating. The monthly fee will be charged with Resident’s rent bill on an automatic recurring basis unless and until Resident cancels. Charges are non-refundable.

After enrolling in RentPlus, Resident may cancel the RentPlus service at any time, for any or no reason. Continued enrollment in Rent Reporting is entirely optional and is not a condition of your Rental Agreement. Resident may cancel by sending written notice of termination to Entrata at 4205 Chapel Ridge Road, Lehi, Utah 84043 – Attn RentPlus Service Charge, or contacting Entrata directly at support@rentplus.com. Resident must cancel no later than ten (10) days before the end of the month to avoid being charged for a subsequent month. For more information about the RentPlus service, please refer to the FAQs located at <https://www.rentplus.com/faq/> or contact Entrata at support@rentplus.com.

By signing below, or electronically accepting through your landlord, Resident is enrolling in RentPlus and agrees to the terms and conditions set forth in this addendum and the RentPlus terms of use that can be found at www.rentplus.com/terms-of-use. The RentPlus services and fees may be altered or otherwise modified by Entrata with thirty (30) days’ advance notice to Resident. Resident’s failure to cancel the RentPlus service (as described above) after receiving such notice constitutes acceptance of any such changes. Entrata is an intended third-party beneficiary of this addendum.

If you have any questions, please contact Entrata at support@rentplus.com or 855-388-5314.

By signing below, you acknowledge and agree to the terms in Section 8.

Lease Addendum: _Fitness Center Addendum

Tenant(s) and Landlord agree to add the terms to the original Lease Agreement as follows (to the extent that there is any ambiguity between the original Lease Agreement and the LEASE ADDENDUM, the terms of this LEASE ADDENDUM will override and supersede the terms of the original Lease Agree:

Use of Gym Facilities

Participant acknowledges that the on-site gym and fitness facilities ("Facilities") are provided as an amenity. Use of the Facilities is entirely voluntary and at Participant's own risk. Access may be revoked or suspended by Management at any time for rule violations, maintenance, or safety concerns.

Assumption of Risk

Participant understands and acknowledges that use of exercise equipment and participation in physical activity carries inherent risks, including but not limited to personal injury, illness, or death. Participant voluntarily assumes all risks associated with the use of the Facilities, whether caused by negligence, condition of the premises or equipment, or otherwise.

Release and Waiver of Liability

To the fullest extent permitted by law, Participant hereby releases, waives, and discharges Owner, Management, their agents, employees, affiliates, successors, and assigns from any and all claims, demands, damages, or causes of action arising out of or related to use of the Facilities, including any claims based on negligence.

Indemnification

Participant agrees to indemnify, defend, and hold harmless Owner and Management from any and all liability, loss, damages, or costs, including attorney's fees, arising from Participant's use or misuse of the Facilities or violation of any posted rules.

Rules and Regulations

Participant agrees to comply with all posted gym rules and Management policies. Proper attire must be worn, and equipment must be used only as intended. No guests, food, glass containers, or pets are allowed in the Facilities.

Health Certification

Participant affirms that they are in good physical condition and have no medical condition that would prevent safe use of the Facilities. Participant is solely responsible for consulting with a physician prior to engaging in any exercise activity.

Acknowledgment

Participant has carefully read this Addendum, fully understands its contents, and voluntarily signs it as a condition of access to the Facilities.

Participant acknowledges that they are giving up substantial legal rights, including the right to sue.

No other provision of the original Lease Agreement shall be changed, modified, or amended as part of this LEASE ADDENDUM, and no other changes shall be valid unless done so in writing (either through this LEASE ADDENDUM, any prior ADDENDA, or any subsequent ADDENDA).

Simple Steps To Protect Your Family From Lead Hazards

If you think your home has high levels of lead:

- ◆ Get your young children tested for lead, even if they seem healthy.
- ◆ Wash children's hands, bottles, pacifiers, and toys often.
- ◆ Make sure children eat healthy, low-fat foods.
- ◆ Get your home checked for lead hazards.
- ◆ Regularly clean floors, window sills, and other surfaces.
- ◆ Wipe soil off shoes before entering house.
- ◆ Talk to your landlord about fixing surfaces with peeling or chipping paint.
- ◆ Take precautions to avoid exposure to lead dust when remodeling or renovating (call 1-800-424-LEAD for guidelines).
- ◆ Don't use a belt-sander, propane torch, high temperature heat gun, scraper, or sandpaper on painted surfaces that may contain lead.
- ◆ Don't try to remove lead-based paint yourself.

Recycled/Recyclable

Printed with vegetable oil based inks on recycled paper
(minimum 50% postconsumer) process chlorine free.

Protect Your Family From Lead In Your Home

 **EPA** United States
Environmental
Protection Agency

United States
Consumer Product
Safety Commission

United States
Department of Housing
and Urban Development

Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

OWNERS, BUYERS, and RENTERS are encouraged to check for lead (see page 6) before renting, buying or renovating pre-1978 housing.

Federal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

SELLERS have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure about lead-based paint. Buyers have up to 10 days to check for lead.

RENOVATORS disturbing more than 2 square feet of painted surfaces have to give you this pamphlet before starting work.

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

- FACT:** Lead exposure can harm young children and babies even before they are born.
- FACT:** Even children who seem healthy can have high levels of lead in their bodies.
- FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.
- FACT:** Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Lead Gets in the Body in Many Ways

Childhood lead poisoning remains a major environmental health problem in the U.S.

Even children who appear healthy can have dangerous levels of lead in their bodies.

People can get lead in their body if they:

- ◆ Breathe in lead dust (especially during renovations that disturb painted surfaces).
- ◆ Put their hands or other objects covered with lead dust in their mouths.
- ◆ Eat paint chips or soil that contains lead.

Lead is even more dangerous to children under the age of 6:

- ◆ At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
- ◆ Children's growing bodies absorb more lead.
- ◆ Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Lead is also dangerous to women of childbearing age:

- ◆ Women with a high lead level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

Lead's Effects

It is important to know that even exposure to low levels of lead can severely harm children.

In children, lead can cause:

- ◆ Nervous system and kidney damage.
- ◆ Learning disabilities, attention deficit disorder, and decreased intelligence.
- ◆ Speech, language, and behavior problems.
- ◆ Poor muscle coordination.
- ◆ Decreased muscle and bone growth.
- ◆ Hearing damage.

While low-lead exposure is most common, exposure to high levels of lead can have devastating effects on children, including seizures, unconsciousness, and, in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults too.

In adults, lead can cause:

- ◆ Increased chance of illness during pregnancy.
- ◆ Harm to a fetus, including brain damage or death.
- ◆ Fertility problems (in men and women).
- ◆ High blood pressure.
- ◆ Digestive problems.
- ◆ Nerve disorders.
- ◆ Memory and concentration problems.
- ◆ Muscle and joint pain.

**Lead affects
the body in
many ways.**

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- ◆ In homes in the city, country, or suburbs.
- ◆ In apartments, single-family homes, and both private and public housing.
- ◆ Inside and outside of the house.
- ◆ In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

Checking Your Family for Lead

Get your children and home tested if you think your home has high levels of lead.

To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have. Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- ◆ Children at ages 1 and 2.
- ◆ Children or other family members who have been exposed to high levels of lead.
- ◆ Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

Identifying Lead Hazards

Lead-based paint is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

Deteriorating lead-based paint (peeling, chipping, chalking, cracking or damaged) is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- ◆ Windows and window sills.
- ◆ Doors and door frames.
- ◆ Stairs, railings, banisters, and porches.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- ◆ 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors.
- ◆ 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- ◆ 400 parts per million (ppm) and higher in play areas of bare soil.
- ◆ 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards.

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home tested for lead in several different ways:

- ◆ A paint **inspection** tells you whether your home has lead-based paint and where it is located. It won't tell you whether or not your home currently has lead hazards.
- ◆ A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards.
- ◆ A combination risk assessment and inspection tells you if your home has any lead hazards and if your home has any lead-based paint, and where the lead-based paint is located.

Hire a trained and certified testing professional who will use a range of reliable methods when testing your home.

- ◆ Visual inspection of paint condition and location.
- ◆ A portable x-ray fluorescence (XRF) machine.
- ◆ Lab tests of paint, dust, and soil samples.

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency (see bottom of page 11) for more information, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.

Home test kits for lead are available, but may not always be accurate. Consumers should not rely on these kits before doing renovations or to assure safety.

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- ◆ If you rent, notify your landlord of peeling or chipping paint.
- ◆ Clean up paint chips immediately.
- ◆ Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.
- ◆ Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.
- ◆ Wash children's hands often, especially before they eat and before nap time and bed time.
- ◆ Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- ◆ Keep children from chewing window sills or other painted surfaces.
- ◆ Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- ◆ Make sure children eat nutritious, low-fat meals high in iron and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards In The Home

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- ◆ You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called “interim controls”) are not permanent solutions and will need ongoing attention.
- ◆ To **permanently** remove lead hazards, you should hire a certified lead “abatement” contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- ◆ 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors;
- ◆ 250 $\mu\text{g}/\text{ft}^2$ for interior windows sills; and
- ◆ 400 $\mu\text{g}/\text{ft}^2$ for window troughs.

Call your state or local agency (see bottom of page 11) for help in locating certified professionals in your area and to see if financial assistance is available.

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovating anything that disturbs painted surfaces (such as scraping off paint or tearing out walls):

- ◆ **Have the area tested for lead-based paint.**
- ◆ **Do not use a belt-sander, propane torch, high temperature heat gun, dry scraper, or dry sandpaper** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- ◆ **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- ◆ **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Remodeling Your Home." This brochure explains what to do before, during, and after renovations.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined on page 7 of this brochure.

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

Other Sources of Lead

While paint, dust, and soil are the most common sources of lead, other lead sources also exist.

- ◆ **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
 - Use only cold water for drinking and cooking.
 - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- ◆ **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- ◆ Old painted **toys** and **furniture**.
- ◆ Food and liquids stored in **lead crystal** or **lead-glazed pottery or porcelain**.
- ◆ **Lead smelters** or other industries that release lead into the air.
- ◆ **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.
- ◆ **Folk remedies** that contain lead, such as “greta” and “azarcon” used to treat an upset stomach.

For More Information

The National Lead Information Center

Call **1-800-424-LEAD (424-5323)** to learn how to protect children from lead poisoning and for other information on lead hazards. To access lead information via the web, visit **www.epa.gov/lead** and **www.hud.gov/offices/lead/**.

EPA's Safe Drinking Water Hotline

Call **1-800-426-4791** for information about lead in drinking water.

Consumer Product Safety Commission (CPSC) Hotline

To request information on lead in consumer products, or to report an unsafe consumer product or a product-related injury call **1-800-638-2772**, or visit CPSC's Web site at: **www.cpsc.gov**.

Health and Environmental Agencies

Some cities, states, and tribes have their own rules for lead-based paint activities. Check with your local agency to see which laws apply to you. Most agencies can also provide information on finding a lead abatement firm in your area, and on possible sources of financial aid for reducing lead hazards. Receive up-to-date address and phone information for your local contacts on the Internet at **www.epa.gov/lead** or contact the National Lead Information Center at **1-800-424-LEAD**.

For the hearing impaired, call the Federal Information Relay Service at **1-800-877-8339** to access any of the phone numbers in this brochure.

Information on Dampness and Mold for Renters in California

Main points:

- Living in damp or moldy buildings increases the chances of respiratory problems like asthma.
- The critical warning signs are visible mold, water damage, damp materials, or mold smell.
- Dampness is needed for mold to grow, so if you control the dampness, you control the mold.
- Dampness or mold indoors may make housing substandard, per the California Health & Safety Code.

Beginning January 1, 2022, residential landlords shall provide this booklet to prospective residential tenants prior to entering the rental or lease agreement, in accordance with the 2001 Toxic Mold Protection Act (HSC #26148). This booklet, which explains the potential health risks and health impacts that may result from exposure to mold, was produced by the California Department of Public Health (CDPH) in 2020, in both English and Spanish versions.

Health Problems from Damp or Moldy Buildings

Living or working in damp or moldy buildings increases the risk of many harmful health problems, including:

- asthma attacks in people who already have asthma
- a new asthma diagnosis
- respiratory infections, such as bronchitis
- breathing symptoms, such as hay fever, sneezing, stuffy nose, sore throat, wheezing, breathing difficulty, or cough
- eczema or skin rash

Mold can affect people differently. How much a person is affected depends on how sensitive they are and on how much they are exposed. Damp or moldy buildings are linked to health problems in people even if they do not have allergies.

Signs of Dampness or Mold

Signs of dampness or mold that may cause health problems include:

- **visible mold** (regardless of color), such as on walls or ceilings, behind furniture or appliances, under carpets, or even hidden in areas not seen in the occupied areas of homes
- **mold odor**, noticed as an earthy, musty, or moldy smell
- **visible water damage**, such as water-stains or discoloration on walls or ceilings, peeling or bubbled paint, warped floors, or rotting wood
- **damp or moist materials**, including condensation on windows or walls

Any one of these signs indicates increased risks to health, and the more that any of them are present, the greater the risk of health problems. Tests that identify the types of mold or the amounts of mold in buildings are not useful in telling us about the health risks. This is *why CDPH does not recommend testing for mold, such as measuring mold spores in the air.*

Causes of Building Dampness that Can Allow Mold to Grow

The dampness that is necessary for indoor mold to grow can come from either inside or outside a building.

Indoor sources include:

- leaking or burst water pipes, for instance under sinks inside walls
- not enough venting to the outside by open windows or exhaust fans in places where water is used or moisture is produced (for example, bathrooms, laundry areas, kitchens, and water heaters)
- condensation (water droplets) on cold surfaces, including windows

Outdoor sources include:

- water coming in through leaky roofs or poorly-sealed windows, or from flooding
- damp, exposed dirt in crawl spaces
- outdoor surfaces that slope and drain water toward a building, including from a downspout

Fixing Dampness and Mold Problems

The California Health & Safety Code (HSC §17920.3) says that when dampness or visible mold (or certain other conditions) in a home is a hazard to the health of occupants, the home is *substandard* and the property owner must fix the conditions. The Code excludes mold that is “minor and found on surfaces that accumulate moisture as part of their properly functioning and intended use.”

CDPH recommends fixing dampness and mold problems as follows:

- identifying and correcting the source of any water that may allow mold to grow
- rapid drying or removal of damp materials
- cleaning or removing mold and moldy materials as rapidly and safely as possible

Note: if a moldy area is simply bleached, cleaned, or painted over—without fixing the source of the dampness—the mold is likely to grow again.

Renters in California

The California Health & Safety Code requires property owners to provide a rental unit that is safe and healthy for the people living in it. Prospective renters should look for obvious conditions that show dampness or mold, and also less obvious signs like water leaks under the kitchen and bathroom sinks or moldy odor in a sealed-up home. Also look for conditions likely to cause future problems, like a bathroom that has no working vent fan or no window that opens, or a clothes dryer without an outside vent.

For renters who suspect there is dampness or mold:

1. Tell the property owner or manager. Early detection and correction of the dampness and mold problems can reduce the risks to your health and prevent the problem from getting worse.
2. If your property owner will not respond to your concerns in a reasonable amount of time, contact your local (city or county) code enforcement agency and ask for a code enforcement officer to inspect for violations. Many dampness or mold problems in rental homes are the responsibility of the property owner and must be addressed by them. However, a code enforcement officer may determine that dampness or mold in a building results from a tenant's actions or inactions – for instance, not using available bathroom ventilation during showers.
3. If the local inspector determines there is a violation, they can require the property owner to correct the problem.

Additional Resources

For general information on dampness and mold and a list of local code enforcement agencies, with a focus on dampness and mold, see www.cdph.ca.gov/iaq/mold. To see an animated video series, Mold in the Home, visit www.cdph.ca.gov/mold.

Property owners must provide a rental unit that is safe and healthy for the people living in it.

Tenants must notify property owners of any dampness or mold problems.

Información sobre la humedad y el moho para inquilinos en California

Puntos principales:

- Vivir en edificaciones húmedas o con moho aumentan las posibilidades de sufrir problemas respiratorios como el asma.
- Las señales de alerta más importantes son la existencia de moho visible, daños causados por agua, materiales húmedos u olor a moho.
- Para que el moho crezca, debe existir humedad, por lo que si se la controla la humedad también se controlará el moho.
- La humedad o el moho en el interior de su hogar puede hacer que la vivienda no tenga los estándares establecidos por el Código de Salud y Seguridad de California.

Desde Enero 1, 2022, los propietarios de viviendas deberán proveer este folleto a sus futuros inquilinos previo al inicio del contrato de arriendo, de acuerdo a 2001 Toxic Mold Protection Act (HSC #26148). Este folleto, que describe los mayores riesgos para la salud que pueden resultar de la exposición al moho, fue creado por el Departamento de Salud Pública de California (CDPH) en el 2020, en inglés y español.

Problemas de salud provocados por la humedad o el moho en edificaciones

Vivir o trabajar en edificaciones húmedas o con moho aumentan el riesgo de tener muchos problemas de salud, incluyendo:

- ataques de asma en personas que ya lo padecen
- que lo diagnostiquen con asma
- infecciones respiratorias, como bronquitis
- síntomas respiratorios, como fiebre del heno, estornudos, congestión nasal, dolor de garganta, sibilancias, dificultad para respirar o tos
- eczema o erupción cutánea

El moho puede afectar a las personas de diferentes maneras. Cuánto le afecte a una persona depende de cuán sensible sea y de la cantidad de exposición al moho. Las edificaciones húmedas o con moho están relacionadas con problemas de salud en las personas, incluso si no tienen alergias.

Señales de humedad o moho

Las señales de humedad o moho que pueden causar problemas de salud incluyen:

- **mojo visible** (independiente del color), en paredes o techos, detrás de muebles o electrodomésticos, debajo de alfombras, o incluso en áreas comunes del hogar oculto en lugares poco visibles.
- **olor a moho**, percibido como un olor a tierra, a humedad o a moho
- **daños visibles causados por agua**, como manchas de agua o decoloración en paredes o techos, pintura descascarada o con burbujas, pisos deformados o madera podrida
- **materiales húmedos o mojados**, incluida la condensación en ventanas o paredes

Cualquiera de estas señales indica mayor riesgo para la salud, y mientras más señales estén presentes, mayor es el riesgo de provocar problemas a la salud. Las pruebas que identifican los tipos de moho o la cantidad de moho en las edificaciones no son útiles para informarnos sobre los riesgos para la salud. *Esta es la razón por la cual el CDPH no recomienda realizar las pruebas para detectar el moho, como son la de medir las esporas de moho en el aire.*

Causas de la humedad en edificaciones que pueden favorecer el moho

La humedad que es necesaria para que el moho interior crezca, puede venir de adentro o de afuera de la edificación.

Las fuentes interiores incluyen:

- tuberías de agua con fugas o pérdidas, por ejemplo, las que están debajo de los fregaderos o dentro de las paredes
- no contar con ventilación suficiente hacia el exterior, como ventanas abiertas o extractores de aire en lugares donde se use agua o se produzca humedad (por ejemplo, baños, áreas de lavandería, cocinas y calentadores de agua)
- condensación (gotas de agua) en superficies frías, incluyendo ventanas

Las fuentes exteriores incluyen:

- agua que esté entrando a través de orificios en el techo, ventanas mal selladas, o por inundaciones
- tierra húmeda y expuesta en espacios de arrastre
- suelos y drenajes exteriores inclinados hacia la edificación, incluso desde un desagüe

Reparación de los problemas de humedad y moho

El Código de Salud y Seguridad de California (HSC §17920.3) dice que cuando en un hogar la humedad o el moho está visible (u otras ciertas condiciones) es un peligro para la salud de los ocupantes, el hogar no cumple con los estándares y el dueño de la propiedad deberá arreglar las condiciones. El Código excluye el moho que sea “mínimo y que se encuentre en superficies que normalmente acumulan humedad debido a su correcto uso.”

El CDPH recomienda reparar los problemas de humedad y moho de la siguiente manera:

- identificar y corregir la fuente del agua que pueda estar generando que el moho crezca
- secado rápido o eliminación de materiales húmedos
- limpieza o eliminación de moho y materiales con moho de la manera más rápida y segura posible

Nota: Si el área con moho solo se limpia, pinta o se utiliza blanqueador, sin resolver la fuente de la humedad, es probable que el moho vuelva a crecer.

Inquilinos en California

El Código de Salud y Seguridad de California requiere que los propietarios provean una vivienda de alquiler que sea segura y sana para las personas que vivan en ella. Los inquilinos deben buscar señales evidentes de humedad o moho, y también señales menos obvias como fugas de agua debajo de los fregaderos de la cocina y el baño, o el olor a moho en una casa que esté sellada apropiadamente. También deben buscar condiciones que puedan causar problemas en el futuro, como un baño que no tenga extractor de aire o una ventana que no se pueda abrir, o una secadora de ropa sin ventilación hacia el exterior.

En el caso que los inquilinos sospechen que haya humedad o moho:

1. Informar al propietario o administrador de la vivienda. La detección temprana y la corrección de los problemas de humedad y moho pueden reducir los riesgos para su salud y evitar que el problema empeore.
2. Si el propietario de la vivienda no responde a sus inquietudes en un período de tiempo razonable, comuníquese con la oficina de “aplicación del código” local (de la ciudad o del condado) y solicite a un funcionario de la oficina para inspeccionar dicha violación. Muchos problemas de humedad o moho en viviendas de alquiler son responsabilidad del propietario de la vivienda y ellos deben solucionarlos. Sin embargo, un funcionario de la oficina de “aplicación del código” puede determinar que la humedad o el moho en una edificación sea resultado de las acciones o las faltas de acciones de un inquilino, por ejemplo, no usar la ventilación disponible del baño al ducharse.
3. Si el funcionario local determina que existe una infracción, puede requerir que el propietario corrija el problema.

Recursos adicionales

Para obtener información general sobre la humedad y el moho, y una lista de las oficinas locales de aplicación del código, con un enfoque en la humedad y el moho, consulte www.cdph.ca.gov/iaq/mold. Para ver una serie de videos animados, Mold in the Home (Moho en el hogar), visite www.cdph.ca.gov/mold.

Los propietarios deben proporcionar una vivienda para arrendar que sea segura y saludable para las personas que vivan en ella.

Los inquilinos que encuentren algún problema de humedad o moho, deben notificarlo a los propietarios.
